As the Athletics go about their tasks of preparing for the world's series clashes with the Cubs, they NEW YORK, Sept. 30.—No major leave an impression of a college league baseball games were played football team about to play one of today. The final seven days of its big games. There is no more the series will hold interest chiefly dignified figure in baseball than for individual exploits and the bat- | Connie Mack. No man in the game tle between Brooklyn and Philadel- has more poise than the tall tacphia for the top of the National tician and yet so emphatically has them into fifth place ahead of the ger, or vice versa, it would not Robins, the Phillies fell back into a seem much out of character if the tie for position by losing to New manager should suddenly hurl the injunction from the shadows of the dugout, "Up and at them." No question seems to exist in the minds of the American Leaguers as to the outcome of the important series. "We'll take 'em," is the individual and collective assurance from the 25 players, with a hearty "amen" from coaches and others who deal in words rather than deeds.

> Mr. Mack, as befits a man of his years and experience with the uncertainties of baseball, is more conservative, "a close series," he suggests, "perhaps reaching the limit of seven games, although of course, we shall do all in our power to bring it to a satisfactory conclusion before that." The manager, who has spent nearly half a century dealing with the vicissitudes of the game he loves. knows that the sport chastens as it nothing of the present day Cubs in one week. and has never seen them play, but as he says any team that walks home in the National League must be good. The Athletics were not extended beyond a jog trot in the American and players and manager admit they are good.

Mr. Mack's last experience with the Cubs was nearly 20 years ago The result of the Junior Football in 1910, and there is not one of League game on Saturday last be- the valiant band that followed the tween Booth and Borden was a lamented Frank Chance against scoreless draw after a hard and the men of Mack, left for the invasion of 19 years later.
