

NO MORE KIDNEY TROUBLE

Since He Commenced to Take "Fruit-a-tives"

73 LEES AVENUE, OTTAWA, ONT.
"Three years ago, I began to feel run-down and tired, and suffered very much from Liver and Kidney Trouble. Having read of 'Fruit-a-tives', I thought I would try them. The result was surprising.

I have not had an hour's sickness since I commenced using 'Fruit-a-tives', and I know now that I have not known for a good many years—that is, the blessing of a healthy body and clear thinking brain".

ALICE ARM PEOPLE MEET THE MINISTER

Dolly Varden Tangle is Straightened Out at Conference with Messrs. Mobley and Taylor.

Alice Arm, August 27.—Events which have transpired here during the past few days have done much to clarify the atmosphere as regards what misunderstanding there may have been between the people and the Taylor Engineering Company in connection with the operation of the railroad, and there is now a feeling that it is the intention of the company to do everything in their power to advance the interests of the district.

F. H. Mobley arrived from Prince Rupert on Sunday's boat, accompanied by Hon. J. H. King, Minister of Public Works, and a few hours later A. J. T. Taylor, president of the Taylor Engineering Company, arrived on a special boat from Anyox. A meeting was arranged between these gentlemen and members of the Commercial Club at which the questions involved were discussed at length. Dr. King and Mr. Mobley acting as arbitrators interpreting the law and acts involved.

Other Shippers.
Mr. Taylor, when asked as to whether the railroad would be in a position to handle any ore from the mines aside from that of the Dolly Varden property, stated that much would depend on how the road and equipment stood up under the tests soon to be made but that if he could possibly see his way clear in the face of the many complications involved he certainly would help out the prospective shippers to the limit of his ability. Assurance was also given that the other questions brought up at the meeting would be adjusted, so far as it lay in his power, to the satisfaction of all concerned.

Dr. King and Mr. Mobley offered many valuable suggestions tending toward a clearer understanding and the citizens of this district feel deeply grateful to them both for the valuable services they have rendered the community at this time.

COL. PECK DELIVERED A STIRRING ADDRESS

Portland Canal News Tells of Visit of Member to District.

In connection with the visit of Lieut.-Col. C. W. Peck to Stewart the Portland Canal News says in part:

"As soon as he reached Stewart he made arrangements to get horses and visit the mines of the Salmon River section. He and Major Hull were accompanied by William Noble of the Big Missouri. In the short space of time he had to make the trip, the member of parliament covered a surprising amount of ground and equipped himself with a first-hand knowledge which will enable him, in connection with his parliamentary duties, to explain in

detail to his colleagues the requirements of this part of British Columbia and, incidentally, to put a greater force behind his arguments for betterment of conditions from time to time as development conditions require.

"Col. Peck delivered a stirring address before the citizens at an informal supper at the King Edward Hotel. He referred with great feeling to the men of the north he led in the war and said that all the efficiency of the enemy could not stand against the sentiment of the Allies. He expressed his pleasure at meeting old friends here. Of his trip up Salmon river he declared he marvelled at what he saw and predicted a greater development for this district. He was proud to represent at Ottawa a district and people he loved so well—men of the north whose faith overcame all Nature's obstacles.

"Short speeches were also made by Major Hull and Geo. Frizzell of Prince Rupert, and J. J. Connors of Juneau.

"Harry P. Gibson, president of the Citizens Association, presided. The meeting closed with three cheers that shook the hotel roof for the distinguished guest of the evening."

The sister of Geo. Edward Boyle is searching for some trace of him. He is aged 35 years, hair red, eyes grey, height 5 ft. 6 in. He originally came from Ottawa, Ontario, was in the Canadian Engineers, C. E. F., discharged March 3rd, 1919; and stated his intention of proceeding to Vancouver, B. C. Since then no trace of him has been found. If any information is received notify R. N. W. M. Police, Prince Rupert.
