Ore at Mine Being Sacked and Sent Out Over This Wire

Construction of the aerial tramway at the Saddle property on Hastings Arm is almost completed, trip to Prince Rupert for medical at- + varro in "The Flying Fleet." says the Alice Arm Herald. The tention, having broken a small bone Silver Crest Mining Co., who are in her shoulder several weeks ago. developing the mine, are striving to have all outside work completed vancouver for the last year, is home STYLE VS. KHAKI IN

One cable of the tramway is already strung to the mine. Material Mr. Robinson, who is planning on building a small mill at Remo, has a for the mine and ore sheds, etc., contract for taking out boom sticks, is being transferred over it. A and has already started several men crew of men are now busy sack- cutting. ling ore at the mine, and this trial shipment is also being taken

to the beach over the tramway. A contract has been let for 300 feet of drifting. The main drift Mrs. Hogan of Copper City was will be extended this distance and town on Tuesday. will be of sufficient length to F. Buckle, mining engineer of An has been developed by sinking a beginning of the week. shaft on the surface. It is exthroughout the winter, and that lett. by next spring a large tonnage of H. V. Roberts of Port Essington rich ore will be available for ship- was a visitor here Monday. ment.

MANY ORIENTALS ON WAY SOUTH RESULT CANNERIES CLOSE

Following the closing down of salmon canning operations at many of the Skeena River canneries, the movement to Vancouver and Victoria of Japanese and Chinese cannery workers commenced at the end of the week. The steamer Cardena on Saturday morning took down a large number of them and on Saturday afternoon's train probably one hundred of them arrived in the city. About seventy went south on the steamer Prince George Saturday evening.

NERVES GONE CAN'T SLEEP?

"Fruit-a-tives" restores good health

Are you tired? Downcast most of the time? Worried at trifles? Can't sleep? Mr. J. O. Ringheim, Wydnndel, B.C., writes: "My nerves were completely gone. I swe my present good health to 'Fruit-a-tives'."

"Fruit-a-tives" is a combination of intensified fresh fruit juices and the most scientific medicinal ingredients. In a natural, gentle way it stirs lazy liver, bowels and kidneys, into normal, healthy action, soothes the digestive tract, and calms the troubled nerves. 25c or 50c boxes at all druggists.

"SHE GOES TO WAR" AT THE CAPITOL

The dreams of the average woman of possessing a huge wardrobe of pretty gowns are ordinarily unknown to the movie star.

The taste for finery among screen actresses is usually sitiated after several years of studio work during which time they are called upon to make from eighteen to twenty changes of dress in each production.

Upon being notified that she would have but few changes of dress in depicting the leading role 'n "She Goes to War!" Eleanor

"She Goes to War!" was directed by Henry King from Rupert Hughes' story of the same name. John Holland has the featured male lead with Al St. John, Edmund Burns, Margaret Seddon, Eulalie Jensen and many other screen notable in other important

ASSISTANT PURSER OF LOCAL STEAMER MARRIED IN SOUTH

A wedding of interest to many local friends of the contracting couple took place last Thursday D. M. Perley officiating, when Thomas Gordon Gilliland, assist-E. T. Kenney returned on Fri- ant purser of the steamer Prince Rupert, was married to Miss Doris Mary Price, who has also been on the staff of the same steamer this summer. The bride, who was Mrs. H. Mist and daughter, given in marriage by her brother, Alfred Price, was attended by two bridesmaids, Miss Claire Gililand, sister of the groom, and her own sister, Miss Elsie Price. The groomsman was Harry Gilliland, brother of the groom, who will be te teacher of the local high school after the summer vacation.

Mr. and Mrs. Gilliland are at present on a honeymoon trip to California and will later take up residence in Vancouver.

Keep Up With Yourself

TEN who forge ahead in business raise IVI their standards of living. Their wants increase; things that were once luxuries become necessities. But too often, the amount of life insurance remains the same. Should the inevitable happen, the widow and children must effect a drastic cut in their scale of living.

Keep up with yourself-don't let your life insurance fall below a safe ratio to your family's living expenses.
