STEWART

Candidates for 1929 officers were nominated by the local branch of the Canadian Legion on Thursday night last. The business was followed by a smoker, the feature of which was an address by Father Leray O.M.I. on his experiences as a chaplain in the trenches with the French Army and later as a prisoner of war in Germany.

Five dogs fell victim to poisoning here last week. Among them was Billy, thirteen year old canine of Mr. and Mrs. H. P. Gibson, who won a most popular dog contest held here in 1927 by the hospital board.

Little damage was done last Wednesday morning when fire broke out in Sid Fraser's residence as a result of an overheated stove pipe.

The Stewart Board of Trade has drafted a resolution asking the authorities concerned to make Stewart the port of entry for the Stikine, Dease Lake, Telegraph Creek, Bowser Lake and Bear River districts. Copies of the resolution will be sent to the Vancouver, Victoria and Prince Rupert Boards of Trade with a view to obtaining their approval.

Richard Gaskell has left town to join the staff of the Big Missouri mine.

Mr. and Mrs. J. Campbell of Hyder left last week for a trip to Seattle and other points in the south.

J. A. Anderson, road superintendent for the provincial department of public works with headquarters in Anyox, was a visitor here last week on official duties.

Mrs. Louise Legge and children left last week for a visit in Vancouver.

Oren F. Hill, Hyder druggist, left last week on a business trip to Seattle.

ALICE ARM

Charles Lee, who is in charge of underground operations at the Tiger mine, spent a few days in town last week.

A very enjoyable card party was held in the local school house last Friday evening. There was a large attendance.

RAILWAY BOARD MEMBERS HERE

H. A. McKeown, Chief Commissioner, and T. C. Norris, Former Manitoba Premier, Visitors

Judge H. A. McKeown, chairman of the board of railway commissioners of Canada, and Hon. T. C. Norris, formerly premier of Manitoba, who was recently appointed to the railway board, arrived on the Prince Rupert this morning from Vancouver, where a session of the board was held recently, and will make the round trip to Stewart and Anyox on the steamer before proceeding east on Saturday. Mrs. McKeown is accompanying her husband. F. F. Burpee, secretary of the board, and Mrs. Burpee are also in the party.

Mr. Norris spent part of today visiting with Mrs. F. W. Hart of this city, who is his cousin.

FIFTH VICTIM DOPE OPERATOR

PORTLAND, Ore., Jan. 23:—The "Doper," Portland's newest criminal, added his fifth victim Friday night when James B. Long told police he had been given a drink of liquor by an affable stranger and robbed of $28 while unconscious.

Three others are in hospitals. All told the same story of having met an agreeable young man who offered liquor. The police emergency physician said the liquor was doped with a concoction famous in pre-prohibition days as "knockout drops."

The Letter Box

WHARF RAT QUERIES

Editor, Daily News:—

Perhaps, sir, you could tell me why it is that the Canadian National Merchant Marine vessels never carry any cargo out of this port? At the time the elevator was opened it was announced that the ships of the railway merchant marine would give Prince Rupert the same rate as they gave Vancouver. What good did that do? They never came here though there was a shortage of grainships often.

Another thing perhaps you could tell me is why no Canadian National ships are overhauled in the local dock which is owned by the railway.

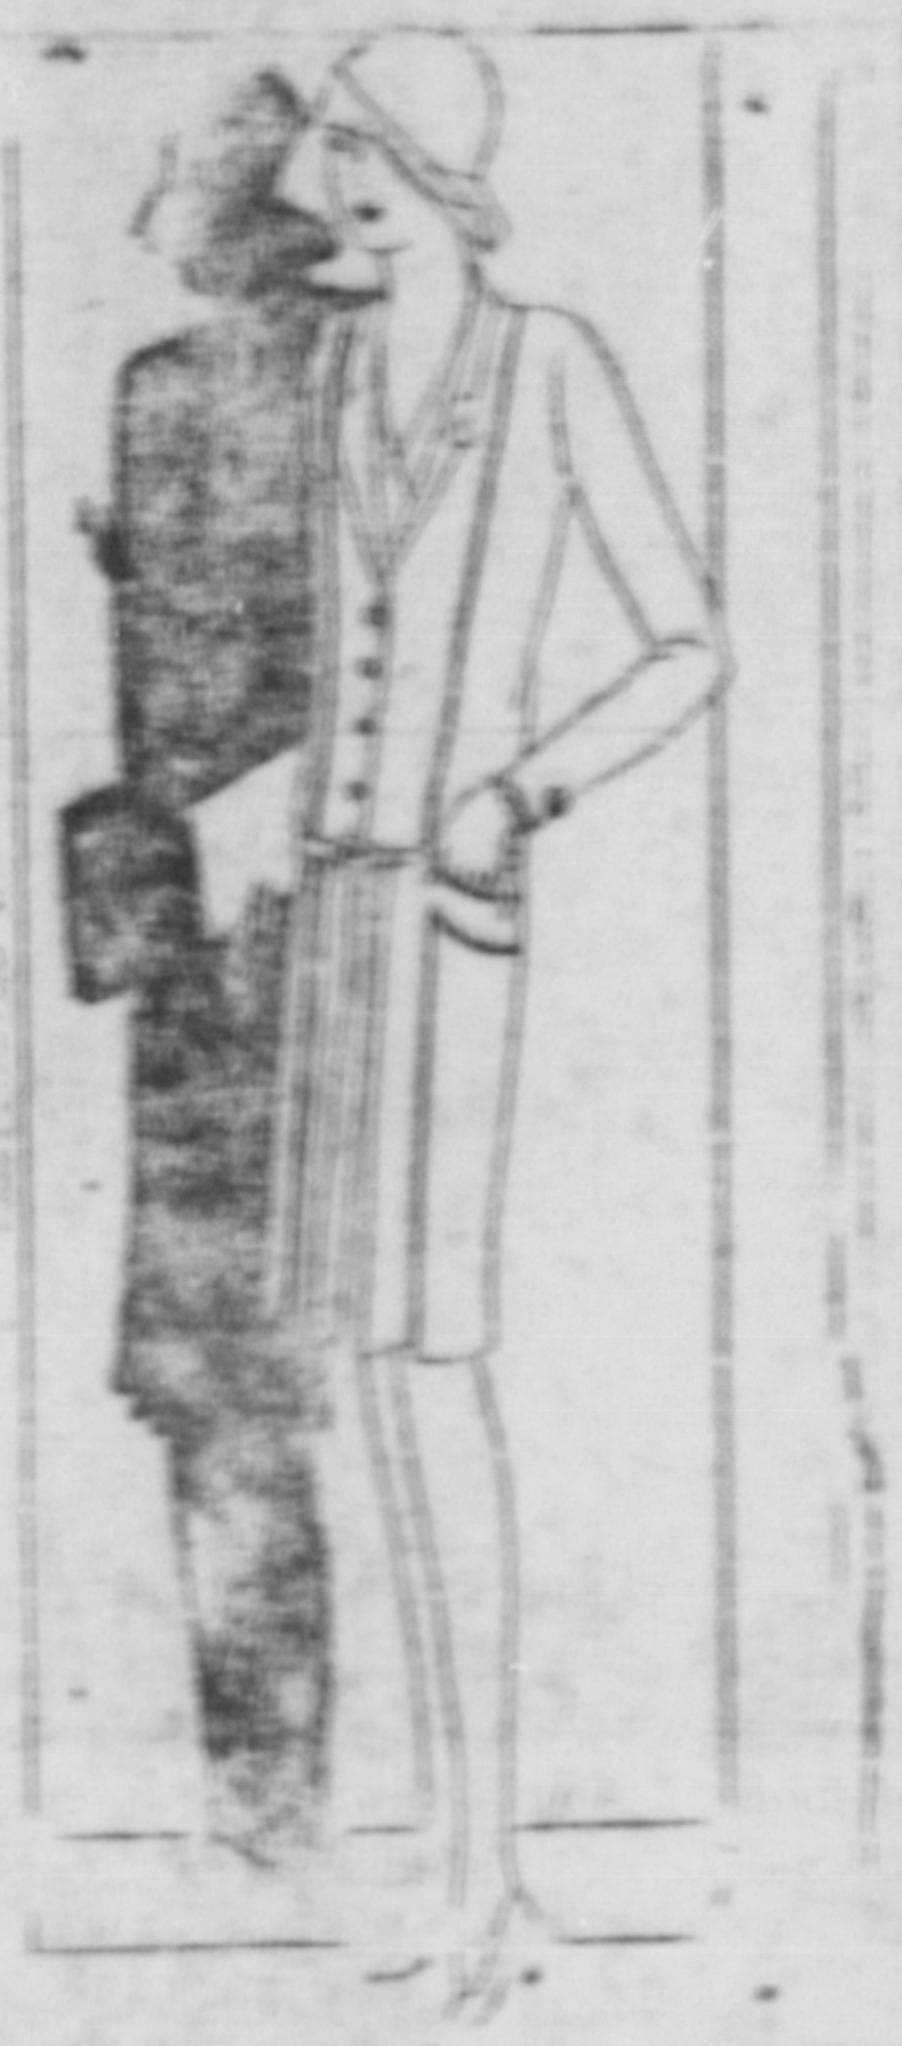
Is it any wonder that the city turns so readily to the C.P.R. when it is badly neglected by the National Railway?

Yours for the Progress of the port,

WHARF RAT.

FASHION FANCIES

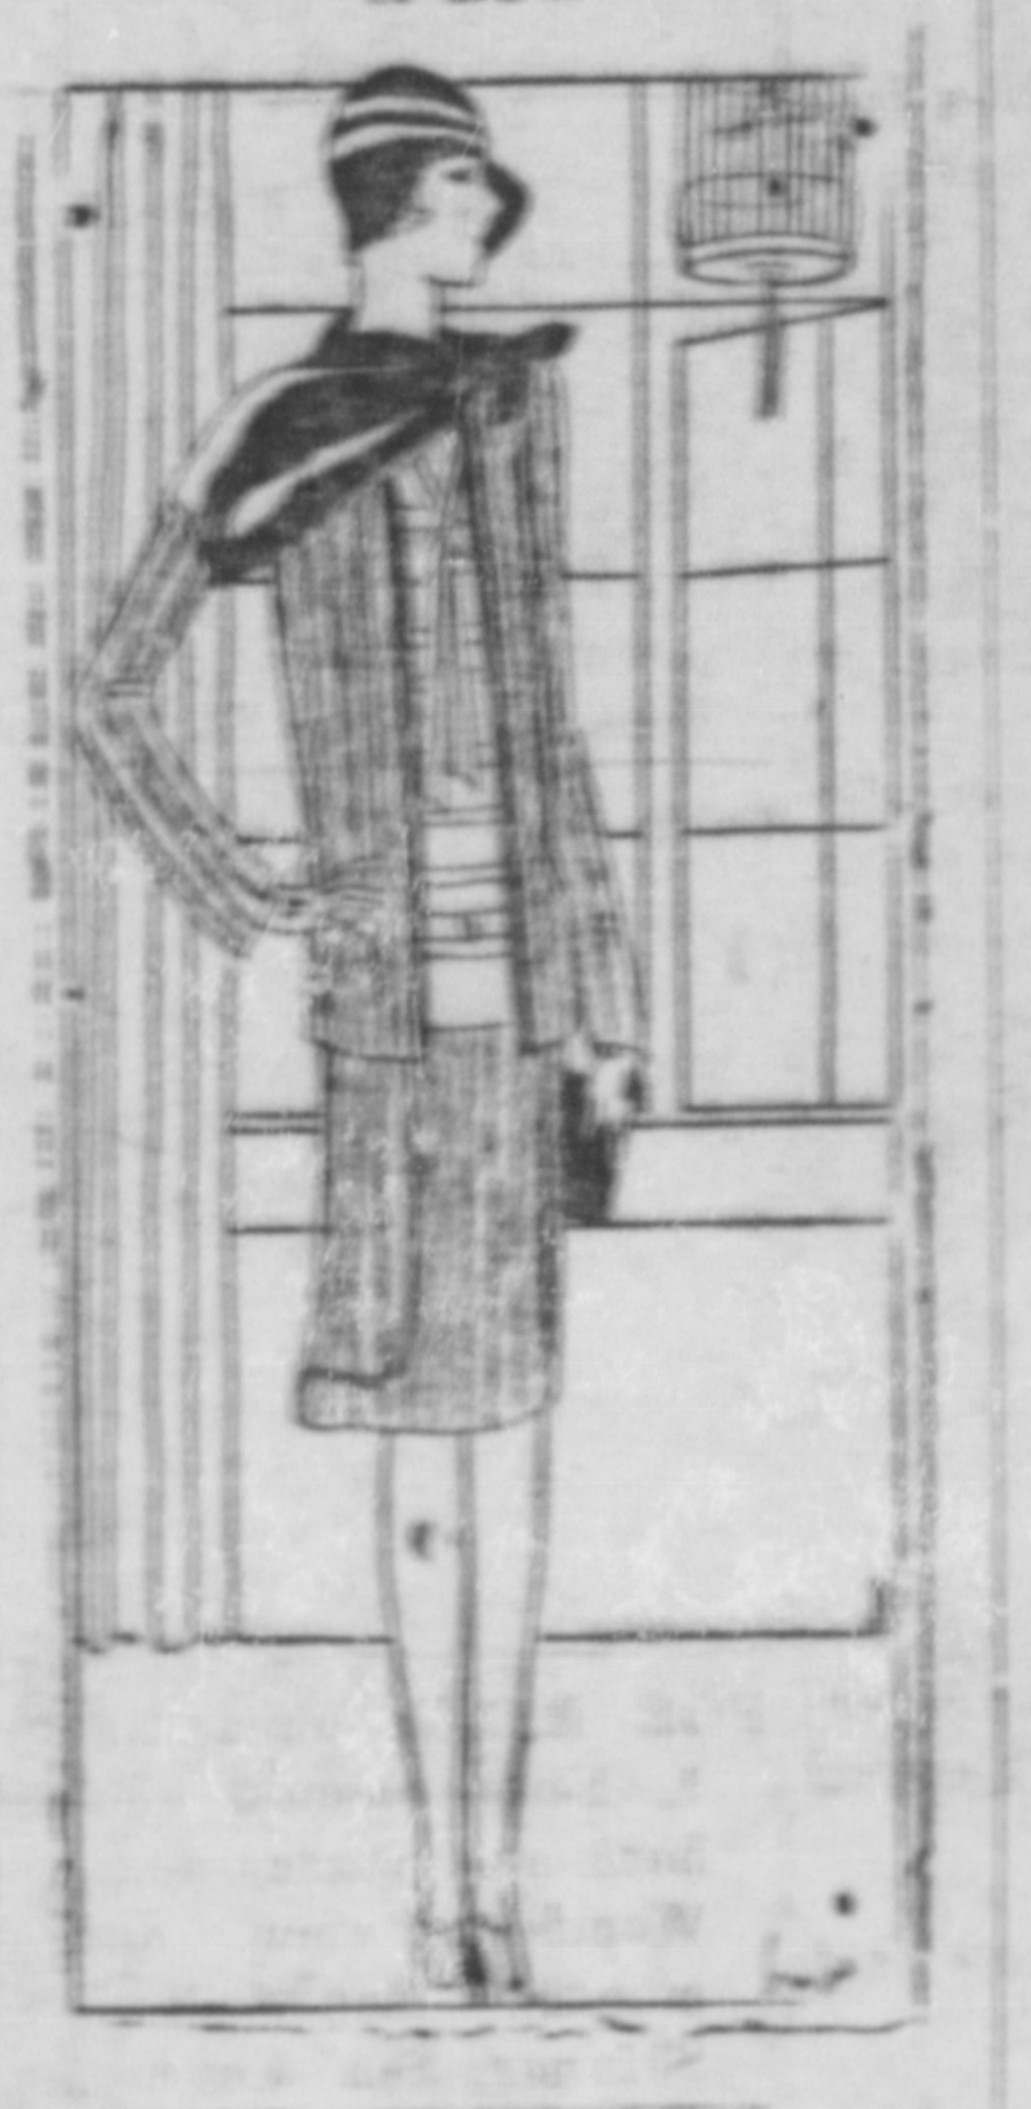
Covert Cloth is Back in Fashion's Favor



Several seasons ago your wardrobe was not complete unless it contained a tailored suit of covert cloth. Then this favorite went into the discard and was heard of no more until it reappeared in another guise—the street dress.

That it is an excellent medium for the tailored street dress is attested by the model pictured here, in Oxford gray with black.

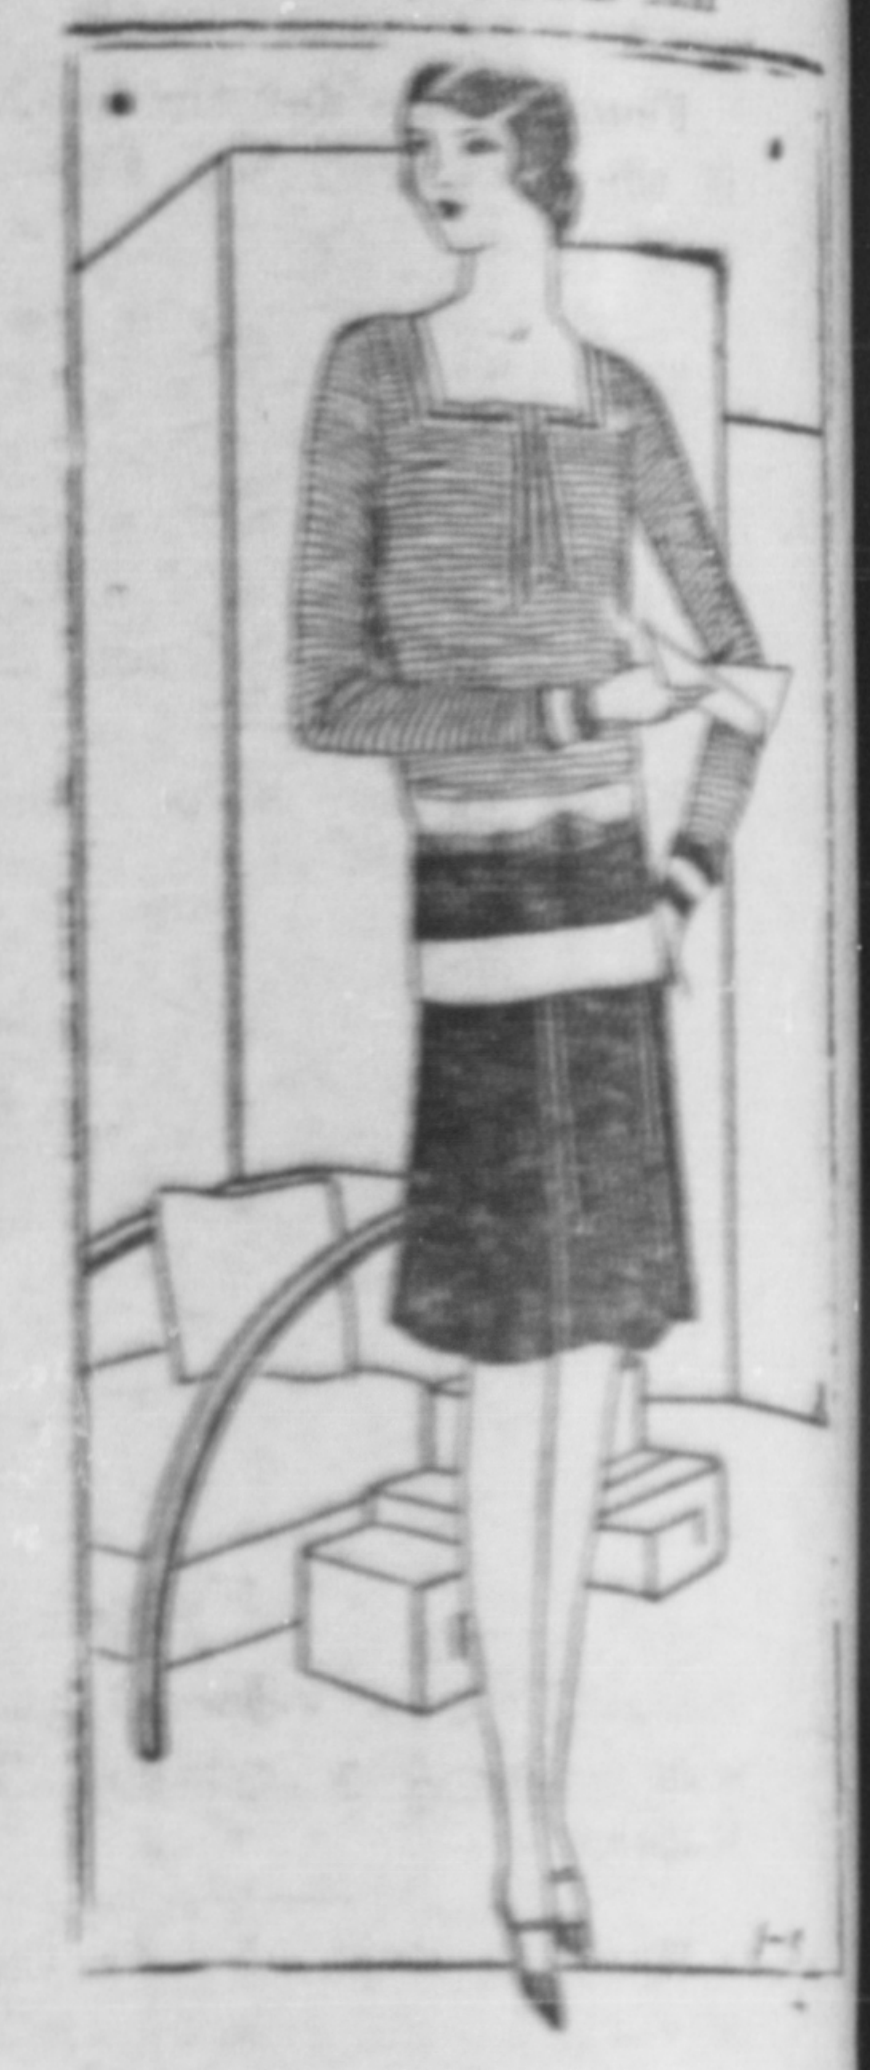
THE FUR-LINED SUIT TAKES A BOW



The ever-popular fur-lined sports coat of tweed has a new rival—the smart tweed coat with short jacket, also lined in fur.

The model shown here boasts a fine beige tweed flecked in brown the whole tailored perfectly. The short coat is lined in nutria, and the kerchief is, of course, of the same skin. Yellow cashmere fashions the blouse.

The Sports Frock With a Distinctive Town Air



For use both in town and country—for sports wear and informal afternoon occasions—we recommend this charming and simple two-piece frock.

The sweater is striped in black, white and gray—an unusually popular combination—and the skirt is fashioned of black broadcloth. A narrow patent leather belt emphasizes the low waistline and is piped in flaming red.

LITTLE GRAIN IN ELEVATOR

Movement of Alberta Wheat Pool Wheat to Coast This Year is Light

The situation at the Alberta Wheat Pool's Prince Rupert elevator is not very promising just now. The movement of grain from the prairies is practically negligible, only twenty cars now being on the way here, and today there are only about one hundred cars of wheat in the plant which is not sufficient to load a single ship.

Pool wheat has been slow in moving to the Pacific Coast this season. Vancouver has not been getting nearly as much Pool wheat this year as last.

NEW UNION FORMED IN PRINCE RUPERT

Grain Handlers Group is Allied With All Canadian Congress of Labor

A Grain Handler's Union has been formed in Prince Rupert, being allied with the All Canadian Congress of Labor, an organization which is rapidly growing in strength throughout the Dominion though it has only been in being a few years. The local Union has established a hall in the King George Hotel building where its meetings are held and the members gather. George Murray is the president of the Union and R. McRae is its secretary. A meeting was held last night.

BUDDHISTS USING CHRISTIAN HYMNS

LONDON, Jan. 21.—Buddhists are appropriating hymns hitherto used only by Christians, according to Rev. George McNeal, head of the Wesleyan Central Mission. "O For a Thousand Tongues" is being used by them, the name of Buddha being substituted for that of Christ. "By this means the Buddhists are attempting to graft upon their gloomy religion some of the radiance of Christianity," he says.

John Dybhavn returned to the city on the Prince Rupert this morning from a two weeks' business trip to Vancouver.
