

Twenty Years Ago

In Prince Rupert

December 10, 1909

In order to eliminate the possibility of "raft" Rt. Rev. F. H. DuVernet, Bishop of Caledonia, urges the right to initiative and referendum with the accompanying right of recall in any form of civic government that may be decided upon following the incorporation of the city of Prince Rupert.

The barge Quatsino, which was wrecked off Green Island a few weeks ago and subsequently purchased by local parties, was completely broken up by a gale this week.

Man in the Moon

Some women like a man with a past, others with a future but Maria says a man with a present gets her every time.

No, sweetheart, I did not do that little bit about the germs and the bugs. It was handed in by a lady. I did something about Dunning and so did the Winnipeg Free Press and I'll give you his bit.

Now, Mr. Dunning has got finance. The tax defaulters will do a dance. Won't it be stunning when he gets running. To see them running. From Mr. Dunning?

And now the question has raised a fuss. Will Mr. Dunning come dunning us? If we've been stunning our tax-rent thing. Will he come dunning. This Mr. Dunning?

Prince Rupert is sure doing herself proud in the way of weather. Skating is good and there's still some coal in the bunkers.

The mayor of Seal Cove says it's cold even in that wonderful section of the city. If it hadn't been cold they would have asked the Rupert East Citizen's Association to intervene and ask why the discrimination.
