HIGH PRICES PAID FOR TROLL CAUGHT FISH BY

Buyers on the waterfront yesterday ar.1 today paid from 70 to 75 cents each for troll caught, cohoes, says Saturday's Ketchikan Chronicle. The Atlantic & Pacific company bought 3000 cohoes at the 75 cents rate. Other buyers bought a lesser number.

"The high price," said a buyer, "is for troll caught fish alone and not for trap caught fish. The troll caught fish are dressed and cleaned and also arrive in better condition than trap caught fish. Brailing rubs off the scales to a certain extent and it does not have a good appearance for the market. The main point, however, is the fact that we are saved the labor of dressing the fish when troll caught."
