American Press and Macdonald Visit to States

The following are a few press utterances gathered by the Literary of billions of dollars to British and United States on a peace mission of American taxpayers. Rt. Hon. Ramsay Macdonald, prime A practical step towards world minister of Great Britain:

An augury without precedent in A long step toward sanity.

modern times.

A tremendous contribution to the peace of the world. A promise that nothing must be permitted to overcast.

A titantic blow for peace. One of the greatest forward steps oward naval limitation that has

been taken. An episode in world history.
