SOMETHING DIFFERENT—Tourists, chiefly from the United States, are commencing the annual migration to Canada. And Canadians, no doubt, will start shaking out the "Stars and Stripes," imbued with the notion of making the Yankees feel at home. That's exactly the way they do not want to feel. What they wish is something different. That's why Quebec is growing rich on tourist traffic. Americans cannot find anywhere in their own land what is similar to that which is taken as a matter of course in Quebec.

SHORT, ANYWAY—On an average, women are six per cent shorter than men, according to a factograph. Which leads the Toronto Star to ask if this is before or after pay-day!

LOVE THYSELF—"Never mind thy neighbor—love thyself." So says Bertrand Russell, aged 79, philosopher and writer. He feels this is the sure way to peace for the individual and those around him.

OF COURSE THEY GROW—Canadian privates were paid \$1.10 in the First Great War and the British Tommies received about two-bits. Yanks drew more. . . Troops will be training in Europe again and there are prospects of more headaches. This training will be under the North Atlantic Organization. Pay will range all the way from Canadian privates getting \$2.65 down to the Frenchman at five cents a day. Canadian captains are to draw \$236 a month. The scale in Norway is 15 cents and in Italy 8 cents. It looks like all kinds of unfairness somewhere.

BEAUTIFUL CITY—Capetown beautiful old mother city of South Africa, is in the throes of violence. Sixty thousand rioted yesterday. There were numerous hospital cases. It all comes back to racial and political issues. Trouble, however, is nothing new here. There has been extensive experience in nearly three centuries.

HONOR NEWSPAPERWOMAN—Effie Storer, whose father published the first paper west of Winnipeg (forerunner of the Free Press), is dead in Saskatoon, aged 82. She spent all of

her long life in the northwest, much of the time engaged in general newspaper work. She knew all the stories and all the answers. And a lot happened in more than 75 years.

IT'S RECORD GOOD—Pouring Lake Woodworth water on the troubled oil of Iran may help. It's been splendid for nearly everything else.

Special Meet on Sewer Contract

A special city council meeting will be called this week by Mayor G. W. Rudderham to decide "once and for all" what the city will pay Mitchell & Currie, contractors, for the Cow Bay sewer outfall.

Ald. George Casey mentioned a figure which he thought was as far as the city could go but council was of the opinion this should not be made public before City Solicitor T. W. Brown, K.C. advised council of its legal position.

However, Ald. Casey said there was a difference of some \$12,000 between the city figures and that of the contractors and he wished to bring the matter "to a head once and for all."

At the special meeting will be present Mr. Brown and the contractors to settle the dispute with the council.

A classified will buy, sell or find it.

Crusty, Crunchy DINNER ROLLS

CRUSTY DINNER ROLLS
● They're really ritzy—and no trouble at all to make, with new Fleischmann's Fast Rising Dry Yeast! Gives you fast action—light doughs—and none of the bother of old time perishable yeast! Get a dozen packages—keeps full strength without refrigeration!

CRUSTY DINNER ROLLS
● Measure into a large bowl 1/2 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 mins., THEN stir well.
Add 3/4 c. lukewarm water and 1 tsp. salt. Add, all at once, 3 1/2 c. once-sifted bread flour and work in with the hands; work in 3 lbs. soft shortening. Knead on lightly-floured board until smooth and elastic. Place in greased bowl. Cover with a damp cloth and set in warm place, free from draught. Let rise until doubled in bulk. Punch down dough in bowl, fold over, cover and again let rise until doubled in bulk. Turn out on lightly-floured board and divide into 2 equal portions; shape each piece into a long roll about 1 1/2" in diameter. Cover with a damp cloth and let rest 15 mins. Using a floured sharp knife, cut dough into 2" lengths and place, well apart, on ungreased cookie sheets. Sprinkle rolls with cornmeal and let rise, uncovered, for 1/2 hour. Brush with cold water and let rise another 1/2 hour. Meanwhile, stand a broad shallow pan of hot water in the oven and preheat oven to hot, 425°. Remove pan of water from oven and bake the rolls in steam-filled oven for 1/2 hour, brushing them with cold water and sprinkling lightly with cornmeal after the first 15 mins., and again brushing them with cold water 2 minutes before removing baked buns from the oven. Yield—18 rolls.
