Delegates to W. A. Annual Named —Mrs. Richmond Passes Away

The monthly meeting of St. Matthew's Women's Auxiliary was held at the home of Mrs. H. Houlton on Thursday afternoon. Mrs. Hodson and Mrs. Bert West were nominated to attend the Diocesan annual in Prince Rupert at the end of this month. Refreshments were served by the hostess, Mrs. E. Sande at the close of the meeting.

Rev. and Mrs. D. H. Mallett left on Tuesday for the south to attend the United Church Presbytery. Mrs. W. Martin also left on Tuesday, being the Knox United Church's delegate to the Presbytery.

Bert West arrived on Tuesday's train from Burns Lake, accompanied by Mr. Woodcock. He left the following day by car for the interior.

Word has been received in Terrace of the death in Vancouver of Mrs. James Richmond.

Terrace Council—

Solicitor Engaged

TERRACE—Village chairman Emil Haugland announced at Wednesday's monthly meeting of the village commissioners that, at future meetings, those who wished to interview the commissioners on matters of business must do so after the routine business of the council had been disposed of. This action was necessary to prevent the continued practice of the meeting being held up until someone's questions, complaints or requests had been answered. Therefore a set hour had been arranged for these matters.

The May meeting was held in the afternoon and was attended by all of the commissioners and the secretary.

Harold Smith's application for a cement sidewalk on the west and south sides of his building, which is being re-modelled for store purposes was granted, with the village paying half of the cost as is customary in such cases.

The Merritt Board of Trade wrote asking for a copy of the Terrace curfew bylaw. It was interesting to learn that their secretary was Steve Howlett, the former manager of the B. C. Power Commission, here.

Requests for particulars concerning business opportunities here were received from two different parties in the south and these will be answered.

A trade license was asked for and granted to Albert and McCaffery for their wholesale and retail business, temporarily located next to the Home Grill with the warehouse in Spencer's garage.

An application was received from John Sikler for a license to operate another car for his taxi service. The commissioners approved and this recommendation will be sent to the Public Utilities Commission.

An offer was received and accepted for a quantity of 3 inch second hand pipe line at 40c a foot.

A request from the Columbia Cellulose for a permit to erect a large building on the north side of Lakelse Avenue and Appley Street for a blacksmith shop will be placed before the zoning committee.

James MacKay was granted a permit to build a house near his carpenter's shop at an estimated cost of \$5,000.00.

"Curley" Casey, deputy fire marshal, was left to deal with matters pertaining to the moving of a gas pump at the taxi station on Lakelse Avenue.

Saying that "the time has now come when the village needs its own solicitor for its own protection" Sam Kirkaldy voiced the opinion of the council in this matter. Accordingly, Darrell Collins was engaged as village solicitor at an annual fee of \$200.

Following adjournment the commissioners drove up to the Bench to view the uprights of the water tanks which are in a very bad condition and in danger of collapsing.

Heavy Rains On Prairies

Seeding Will Soon be General
—Okaganan Fruits

WINNIPEG—Spring seeding is general at a number of points in southwestern southern and central Manitoba. In the extreme southwest of the province heavy snowfalls and spring rains have delayed operations but seeding should be general here early next week.

In Northern Manitoba, particularly in the Dauphin and Swan River areas, seeding has been delayed by excessive moisture, but will be under way within the next few days, according to the weekly crop report of the Department of Agriculture of the Canadian National Railways.

In Southern Saskatchewan seeding has commenced at a few points and should become general around the middle of the month.

Weather in many sections has been rainy and all areas would welcome continued warm weather.

Weather varied from warm to cool in northern Saskatchewan, with frequent rains, cultivation and harrowing has commenced but seeding has only started on the higher lands and will not be general until May 5.

Very heavy rains occurred in central and eastern Alberta where seeding will not be general for another week or ten days. Some soil erosion has occurred through heavy runoff. Two inches of rain covered the Edmonton District, delaying commencement of seeding operations. The same applies to the Peace River territory.

In the Okaganan Valley, tree fruit comparisons with last year indicate that pears will be about 63 percent, apricots 175 percent, peaches 525 percent, Bartlett pears 93 percent, Flemish pears 123 percent, prunes 157 percent. A reasonable crop of apples is expected but will not be as heavy as last year. The 1950 fruit production, however, was considerably below normal. Cherries and Bartlett pears have suffered considerably through late frost.

RAISE NURSES' STATUS
NEW DELHI (CP)—The University of Delhi this year will introduce a four-year course for a Bachelor of Science (Honors) degree in nursing. The College of Nursing in New Delhi will be the first in India to raise nursing education to university standard.

NOTICE OF CANCELLATION OF RESERVE
Notice is hereby given that the reserve established under authority of Order in Council Number 87, approved January 27, 1944, notice of which was published in the British Columbia Gazette of February 17, 1944, is cancelled in so far as it relates to the disposition of timber on approximately 45 acres comprising unsurveyed vacant Crown land in the vicinity of Mile Post 48, Canadian-Alaskan Military Highway, Cassiar Land District, as applied for February 28, 1951, under the provisions of the "Forest Act" for timber sale purpose and numbered X53311.
G. P. MELROSE,
Deputy Minister of Lands, Department of Lands and Forests, Victoria, B.C., May 2, 1951. (1c)

NANAIMO, B.C.—A 91-year-old Scottish lass has just seen her first moving picture. Appropriately, it was a film of Scotland in technicolor, and Miss Margaret Belaney, who is blessed with good eyesight, thoroughly enjoyed it.
Happy over the experience, Miss Belaney is ready to go to the movies again. Longevity runs in her family. An uncle lived to be 97 and another relative to 93.

Peter Lamont Terrace, Dies
Peter Lamont, 81, of Terrace, died in Prince Rupert General Hospital yesterday.
He is survived by his wife, Isabella, who is staying with the deceased's nephew, Donald MacDonald, in Prince Rupert; a step-son, George Peters, Terrace; two daughters, Susan and Edith are in Winnipeg; a sister, Mrs. R. MacDonald, in Vancouver.
Mr. Lamont came to Terrace three years ago from Victoria, where he had been milk-farming.
It is expected the funeral will take place in Vancouver.
