PT Backing Brotherhood Week Here

Brotherhood Week, to help promote unity among the different nationalities in the Canadian family, will be observed by the Conrad Street School Parent-Teacher Association in February. It was decided by members of the association at their monthly meeting held in Conrad School Tuesday evening. The program for a special "brotherhood" evening was left in the hands of Mrs. W. Murdoch and Miss M. Hamilton.

The setting-up of a display of books and pamphlets pertaining to Parent-Teacher work, education and child welfare will be considered by the P-TA executive. The display will be on view at each meeting and all of the books will be accessible to members.

Christmas treats at the annual class Christmas parties held a day or two before school lets out for Christmas holidays will be provided again for Conrad School children by the P-TA. The treats will probably include candy canes and Japanese oranges for each child.

P-TA project for the year was chosen at Tuesday's meeting. Members hope to be able to purchase a new radio for Conrad Street School so that B.C. school broadcasts and other pertinent programs will be available to classes. A radio is now on hand, but it is not powerful enough. It is planned, therefore, that the present set will be installed at Seal Cove School when a new one is purchased.

Because the November card party was a great success, plans are under way to again hold these parties one a month. The next one is scheduled for Friday, January 18.

The pennant for largest attendance of parents was awarded this month to the Grade 3 and 4 class of Mrs. C. Weise.

DANGEROUS ROAD

A dangerous drop at both sides of the road on Alfred Street, especially near the small gyro playground there, will be drawn to the attention of the city council. Since instances were cited where children had been hurt in falls there, council will be asked if some safety measures cannot be taken.

Attention of the city council will also be drawn to the impassable state of Immanuel Street between Seventh and Eighth avenues beside Seal Cove School, when there is ice on the roads in winter. The steep path gets so bad that anyone using it has to climb up on his hands and knees, one member reported.

After the business meeting, a highly interesting quiz was conducted by G. Olson to acquaint members more fully with P-TA objectives and work. The quiz was followed by a community sing of Christmas carols accompanied by L. Sykes.

The evening was concluded with the serving of refreshments.
