Mrs. Forbes  
Makes Butter

She calls it Economy Butter, and it is well named, considering the quantity she gets, and the low cost of the extra butter. To half a pound of butter add one SMALL tin of Pacific Milk, in which has been dissolved a small pinch of baking soda.

Whip 'till the butter has all been taken up and allow to set gradually in a cool place.

It makes almost a pound of butter—good butter, too.

Many will thank Mrs. Forbes for her kindness, as we do.

## WILL INVESTIGATE MUNICIPAL FINANCE

Hon. John Hart Taking Steps to  
Get into Closer Touch  
With Problem.

Municipal delegations galore have appeared before the Provincial Cabinet during the last two years, virtually demanding legislation towards providing additional sources of municipal revenue, says the Victoria Times. Not a little persuasion has been employed to convince the Government that it should share some of its revenue with the municipalities. Enterprises launched in boom times, when a new country's natural optimism has occasionally dwarfed better judgment, have gradually reacted with the inevitable result. While this has been true of municipalities, it was also true of the government of the province, although in the latter case the rehabilitation of provincial credit has proceeded apace during the last eighteen months. Nevertheless, British Columbia's finances have not yet recuperated sufficiently to permit of the extension of relief from the public treasury to the municipalities.

### Questionnaire Issued.

On this account, and in pursuance of his promise made some time ago to investigate the whole subject of municipal financing, the Hon. John Hart, Minister of Finance, has prepared a form of questionnaire which is to be sent to every municipality in the province.

In brief, the form is designed to ask for every conceivable financial detail related to the government of each individual municipality. With the form will go a request that the questionnaire be filled up and returned to Mr. Hart on or before September 15. It is then the Minister's intention to give due notice of sittings which will be held in the cities of Vancouver and Victoria during the month of October at which representatives from every municipality in the Province of British Columbia will be permitted to plead the case of his own community.

## MISS MORTIMER IS LEAVING SOON FOR THE OLD COUNTRY

For the past week Miss Violet Mortimer has been the guest of honor at many social functions, among which was a delightful party held at the home of Mrs. G. A. McNicholl on Fifth Avenue. Many of the young lady's friends were present and a most enjoyable time was spent.

In a few days Miss Mortimer expects to leave for England in company with Mrs. Harry Birch, who is returning to her old home on a holiday visit. This popular Prince Rupert girl is going to take a course in music and painting with some of the leading masters of these arts over there. All through her school work she has always displayed a very keen eye for coloring and sketching and more than once has carried away prizes in local competitions.

Particularly will Miss Mortimer be missed by her young friends over at the Salt Lake to which outdoor exercise she was always a devotee. In the early days of the organization of the Swimming Club, Violet was one of the first to join and has now become very proficient in the water. The young lady has always been a great booster for the Salt Lake improvements.

## TRAIL ATHLETICS VS. SONS OF ENGLAND

Tonight the Trail Athletics meet the Sons of England in their second game with this team. It will be remembered that in the former game the score was a tie, 2 to 2. However, the Trail Builders are lower in league standing than the Englishmen so they say they are out to win tonight's clash. Since their tie game they had practise and with the arrival of their new outfit they intend to show just what football really means.

The following stars will perform for the Trail: S. Winsby, H. Day and H. Menzie; C. Watman, W. Booth, G. Shaw or Gann; W. Anderson, V. Menzie, S. Hardy, G. Waugh, and E. Craggs. Reserve, H. Harrison. Players are requested to note that the game starts 7:15 p.m. sharp.
