BULLETINS

WINTER IN CALGARY

CALGARY—Continuing blizzard had brought 91/2 inches of snow to Calgary by today. Temperature is around 20 above.

ELEVATOR FIRE

PONOKA, Alberta - Damage estimated at \$200,000 was done when fire destroyed a grain elevator here today. Ninety-six thousand bushels of grain were lost. A nearby elevator was saved.

GOVERNMENT SUSTAINED

LONDON—The British government was sustained on another division today. By a vote of 291 to 280 a Conservative motion which would have reduced the salary of Defence Minister Shinwell was rejected. This was the means by which the Opposition sought to disapprove of the appointment of an American instead of a British admirai to supreme naval command under the Atlantic Pact.

CASUALTY LIST

OTTAWA - The 23rd Canadian soldier has been killed in Korean fighting, according to a casualty list issued today. He is Pte. R. B. Fairservice of Quebec.
