

BEDRIDDEN WITH RHEUMATISM

Felt That He Would Never Walk Again "FRUIT-A-TIVES" Brought Relief.

MR. LORENZO LEDUC

3 Ottawa St., Hull, P.Q.
 "Fruit-a-tives" is certainly a wonder. For a year, I suffered with *Rheumatism*; being forced to stay in bed for five months. I tried all kinds of medicine but without getting better; and thought I would never be able to walk again.
 "One day while lying in bed, I read about 'Fruit-a-tives' the great fruit medicine; and it seemed just what I needed, so I decided to try it.
 The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me.
 I have every confidence in 'Fruit-a-tives' and strongly recommend them to every sufferer from Rheumatism."
LORENZO LEDUC.

As a result of the football match the other evening, W. Booth is on the accident list with a broken shoulder bone. Billy was playing a hard game as centre half for the Traits and received his injury about twenty minutes before time, when he collided with a back on the Sons of England side. It is hoped that he will soon be able to be back on the field again as he always plays a fast, dashing game. He is lighter than many of the players, however, and on this occasion in coming against a stolid back had to suffer rather severe consequences.

Last night the Tigers played the Red Sox at the Market Place and beat them to the score of 7 to 1. Sid Hardy was referee and checked up the older boys for having no batting order and always sending up their best men to bat in every inning. Eventually they began to get peevish at being unable to score and the game was brought to a close at the fifth inning.

Arrangements will be made to try and stage a baseball game between the Tiny Tims and another team of the junior league during the exhibition time. The little ones play the game and would prove a great drawing card at any of the celebrations. For the present the Tiny Tims are without their catcher, as he is in the local hospital very ill. However the boys will all be glad to hear that he is getting a little better.

The days of the swimming at the Salt Lake are rapidly fading from view as it is beginning to get colder as the season progresses. Even though the days are particularly fine there is generally a cool breeze at the other side of the harbor which is not at all pleasant for bathers. At nights it gets chilly rather early now and the evenings are shortening very rapidly.

The next football match will be held on Monday evening when the Grand Trunks again clash with the St. Andrew's Society. If the latter team wins it will give them one point of a lead over the Sons on the same number of games. If it is a victory for the train men they will stand two points with the Gallies one behind the S. O. E. on the same number of matches.

At the Board of Trade meeting last night a letter from Frank Waterhouse & Co. was read asking that the board use its influence to help do away with the necessity of boats securing clearance papers when trading between Canadian ports. The matter was referred to the Port Committee.

Last Sunday and Monday there were many parties organized to climb the mountains just at the back of the city. A beautiful view can be obtained from either Mt. Hays or Mt. Kaien and with the fine weather which was so predominant all last week the air was particularly clear. Peaks afar off in the interior could be seen glistening in the sun and when looking out to sea the many little islands dotted the surface most picturesquely.
