

## Dream Scheme

This is the sort of bedroom where you'll "wake up and sing". It's so "chintzy" and cheerful. And the floor covering, too, will win admiration, for a Gold Seal Congoleum rug stays so new-looking so long! The reason for that is Congoleum's wear layer of heat-toughened paint and baked enamel... equal in thickness to 8 coats of the best floor paint applied by hand! Gold Seal Congoleum freshens up prettily with just the swish of a damp cloth. Be sure to look for the seal when you buy. It carries the famous money-back guarantee of satisfaction! See your house furnishing dealer soon. You'll be delighted with how much long-lasting beauty you can get for so little.

## Fall Designers Favor Tartans

TORONTO (C)—A suit of corduroy velvet with separate "party" skirt for special occasions will be found in milady's wardrobe if she heeds the Canadian fashion trend this fall. The suit, plus coat styled for "double duty" were among the models displayed at advance showings of fall styles by Toronto designers. They were two of the highlights the experts have planned in their effort to provide clothes within reach of the average office-girl's budget. The coat is complete with fur collar and chamouis lining. Both can be removed, leaving a gently tailored number ideal for wearing either to the office or late-season football games. It also comes in a variety of shades although manufacturers claim Canadian girls are conservative in their color choice, clinging chiefly to greys and blacks. The suit comes only in black, embroidered with red and white squares, Swiss style. The separate "party" skirt makes this practically an all-occasion outfit.

Tartans promise to highlight next season's sportswear. Several tartan skirt and vestee combinations will be seen on this fall's market.

Bright spot for a rainy day will be the full-backed (or belted) raincoat complete with rain hat with softly tailored crown. This comes in a wide range of colors, varying from bright green to different shades of brown. There's also a frontiersman jacket in red, cinnamon, green, beige and of fringed English suede. This is ideal for the outdoor type of girl.
