Band Parade For Wedding

Nishga Wedding Ceremony Draws Crowd and Interest

A street band procession followed the wedding Saturday afternoon at 3:30 when Jacob Nyce was joined in matrimony to Miss Peggy Lillian Gosnell at the Salvation Army Citadel, Senior Captain W. C. Poulton was the officiating clergyman.

The wedding march, something that is normal in their own village, was led by the Aiyansh Silver Harmonic Band under the direction of Ben Munro. The band marched from the Salvation Army Citadel, led by the Royal Canadian Mounted Police, to Third Avenue where the wedding party was met at the Commodore Rooms. The group consisted of the parents of the groom, Mr. and Mrs. Peter Nyce, the bride and groom, the parents of the bride, Mr. and Mrs. El Gossnell, together with groomsmen Simon Calder, Stephen Moore, Percy Azak, Robert Wolbert, Alvin McKay, Teddy White, Rodney Tait and Rodney Robinson, and bridesmaids Mrs. Olive Scodane, Evangeline Gossnell, Vesta Woods, Virginia Alexander, Lena Azak, Doreen MacMillan, Christine Azak and Eva Moore.

Following the wedding ceremony the Aiyansh Harmonic Silver Band played a selection while the register was being signed and then conducted the wedding party and guests to the Hollywood Cafe for the wedding banquet.

Constable Horne of the RCMP handled the traffic capably. One hundred and twenty guests sat at the banquet, and were representative of the Nishga people of the Naas, the Tsimpsians of the coast, the Haldas of the Queen Charlottes and the Kitikshams of the Skeena areas.

Speeches of appreciation and welcome were made by Peter Nyce and El Gossnell. Henry MacDonald was master of ceremonies.

The playing of the Aiyansh Harmonic Silver Band drew many favorable comments from the large crowds of spectators who lined the streets of the immediate vicinity during the parade and ceremony.

Tag Day Helps Gyro Swim Pool

Net receipts of the Gyro Club tag day, Saturday, were \$250. This will help pay off the balance of \$1,500 still owing on the swimming pool in McClymont park built by the Gyros two years ago for \$10,000.

The club had \$5,000 when it began the project. The rest was borrowed. In two years the debt has almost been settled.

High tagger of the day was Louise Wood, who collected \$48.44 at the Post Office. Others participating in the tag day were Jeanette Cloutier, Helen Olsen, Gerald Desoutiers, Tayte McNiece, Frances Rowe, Ralph Weick, Noeland Brechin, Frank Anfield, Rick Forward, Gordon Lugin, Robert Jensen, Joanne Way, Loraine Jackson, Leonard Griffiths, Arthur Parent, Judy Lloyd, Patsy Faulkner, Jimmy Faulkner, Patricia Pierce, Carl Jackson, Roy Sieber, Derek Allen, Florence Adams, Gerold Boulter, Larry Eby, and Brian Davidson.

Gyro president, Don Forward, felt the returns were "very gratifying."

"And I'd like to thank the children who did such a good job," he added.

Next project Mr. Forward has in mind for the Gyros is erection of bathhouses at the 75-foot pool. The pool is now open and under supervision when weather permits.

Council. Club President, Mrs. Irene Bushaw, will attend the T.B. Seal Convention being held at Vancouver in June.

Soroptimists to Have Barn Dance

Plans for a novelty square dance to be held in the Armory on June 23, were formulated by the Soroptimist Club of Prince Rupert at a meeting held at the home of Mrs. M. O. Kullander. Old time music and a "caller" for the sets will be available. Modern dances will be interspersed with the square dancing. Dress will be strictly informal in a "barn-dance" mode.

A report on the Soroptimist Scholarship to a High School girl student was received. This year the award goes to Miss Luella MacDonald and was presented by Mrs. Willa Ray, a past president of the club.

Ald. Casey Resigns as Works Head

Ald. George B. Casey has resigned as chairman of the board of works, city council of Prince Rupert. He is leaving for Vancouver to receive medical treatment for his eyes, which are slowly going blind.

But the "fighting alderman," as he has often been called, isn't at all down-hearted, because, he says, he has "every reason to believe" the operation will be successful. It is a cataract of the eye which has slowly caused his vision to blur, that Ald. Casey seeks to have removed.

At last night's council meeting, the veteran board of works chairman said he would still be willing to serve on the board, but he asked that his chairmanship of the housing committee also be relieved.

Council members expressed their well-wishes.

Ald. Don Fitch was appointed as new chairman of the works board, and Ald. H. M. Daggett, chairman of the housing committee.

Lot Sales Confirmed

Ald. T. B. Black, finance chairman, reported the following property sales at last night's council meeting:

Lot 10, block 38, section 5, to Hazel Guyatt, for \$250.

Lots 13 and 14, blk. 1, section 2, to G. W. Charleton for \$700.

Lots 15 and 16, blk. 1, section 2, to Robert McBride for \$700.

Lots 21 and 22, blk. 1, section 2, to N. McGlashan for \$700.

The last three sales were subject to ex-servicemen's rebate, Ald. Black reported.

Applications of Himan Mork to purchase lot 11, blk. 21, section 8, for \$125 and of Allan Barr, to purchase lot 36, blk. 17, section 1, for \$300, also were accepted.

City Must Prosecute

A letter from the Deputy Attorney-General has criticized the city of Prince Rupert in handling prosecutions in police court.

Only "trivial cases" should be prosecuted by police, the letter stated. All other prosecutions, for which the municipality is accountable, should be conducted by a lawyer.

"Often undesirable situations" present themselves, the letter said, when a policeman is both prosecutor and witness as well.

The letter was referred by city council last night to the police and licensing committee, the chairman of which is Ald. Douglas Frizzell.

"Ideal" Grows With Rupert

Another industry which has grown and expanded with the growth of Prince Rupert since the end of World War II is Ideal Cleaners and Laundry who have completed their eighth year of operations June 1, 1951.

Hugo Kraupner, manager and owner of the plant since 1943, came to Prince Rupert in 1936 to manage the dry cleaning department of the Pioneer-Canadian Laundry. Mr. Kraupner is not new in the dry cleaning business, for since graduating from the Institute of Technology of Calgary in chemistry for laundry and dry cleaning operators in 1931, he has held managerial positions with several companies in British Columbia and Alberta.

Since 1943 Ideal Cleaners and Laundry have added in equipment totalling \$28,000. In 1946 a laundry was installed. Growth of the plant can perhaps be best gauged by figures.

In 1943 there were five employees; in 1950, 35 people found year-round employment at Ideal. In 1943 wages paid totalled \$1,342.57; in 1950, \$55,616.59. Volume of production has increased by more than 300 per cent, says Mr. Kraupner.

The manager has been a member of the Junior Chamber of Commerce for 10 years; of the Senior body for four years, and has been consistently active in the community. He is a member of the tourist council department of Trade and Industry and a representative of American Automobile Association.

Assistant to Mr. Kraupner is W. H. Fudger, his son-in-law, who has held the position of engineer and superintendent of the plant since 1945. Mr. Fudger is a member of the Kinsmen Club in Prince Rupert.

Mr. Kraupner says that his services cover all communities, logging and mining operations on the Queen Charlotte Islands, the northern district of B.C. as far as Atlin, as far south as Port Hardy and east as far as Vanderhoof.

Best Wishes Of Natives

Fred McKay of Greenville Expresses Goodwill to Columbia Cellulose.

On behalf of all the people of the Naas River, Fred McKay, bandmaster of the Greenville Concert Band and chief councillor of his village, today expressed best wishes to the Columbia Cellulose Co. Ltd. for the future operation of its plant at Watson Island.

The statement of Mr. McKay indicated the keen interest that the native population is taking in the industrial development of the district.

Mr. McKay hoped that his people might be able to help the company in its operations.

Yippee! DOUGHNUT TWISTS

Raised light and tender with new fast DRY Yeast!

● There's a new twist in doughnuts—a new thrill in all your baking! Say goodbye to perishable yeast—Fleischmann's Fast Rising Dry Yeast keeps full strength until you use it—fast-acting when you use it. Get a dozen packages—it keeps in your cupboard!

DOUGHNUT TWISTS

● Scald 1/2 c. milk, 1/2 c. granulated sugar, 1 1/2 tsp. salt and 1/2 c. shortening; cool to lukewarm. Meanwhile, measure into a large bowl 1/2 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 minutes. THEN stir well.

Add cooled milk mixture and stir in 2 well-beaten eggs and 1 tsp. vanilla. Stir in 2 c. once-sifted bread flour; beat until smooth. Work in 2 1/4 c. (about) once-sifted bread flour. Knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and set in a warm place, free from draught. Let rise until doubled in bulk. Punch down dough and roll out into a rectangle, 1/2" thick; loosen dough; roll again to 1/2" thickness. Cut into strips 7" long and 1/2" wide. Fold strips in half, twist, then pinch ends together. Arrange well apart, on lightly-floured cookie sheets; grease tops. Cover and let rise until doubled in bulk. Carefully lift, a few at a time, into shortening that has been heated to 365°—hot enough to brown a cube of day-old bread in 60 seconds. When under-sides are browned, turn and cook second sides. Carefully lift from fat and drain on absorbent paper. Coat with a mixture of fruit sugar and cinnamon or brush hot doughnuts with the following syrup: Heat, stirring until the sugar dissolves, 1 c. granulated sugar, 1/4 c. butter or margarine and 1/4 c. water; simmer 5 mins., then stir in 1 tsp. vanilla; keep hot over boiling water—if syrup becomes too sugary, stir in a little boiling water and heat to boiling point. Yield—3 dozen doughnuts.

Note: Dough may be cut with an orthodox doughnut cutter; fry the doughnuts and the "holes".
