Course for Nurses Here

Prince Rupert General Hospital nurses will have the opportunity in three weeks to attend lectures on new nursing methods by travelling instructors for Registered Nurses Association of B.C.

Arriving here about October 20 is Miss Fern Trout, RN, returned recently from an extensive course in specialty nursing in the United States who has been touring Central and Northern B.C. the past few months.

Here for three days, Miss Trout will lecture on new drugs and their uses, one or two clinical subjects and nursing aspects of atomic, bacteria and chemical warfare.

Mrs. Margaret Kimble and Mrs. Inez Galtner, two missionaries from Bremerton, Washington, who have been holding service at the Full Gospel Tabernacle here, left today by bus for Terrace from where they will travel by taxi to Skeena Crossing. Accompanying the missionaries are Kitkatla natives, Joe and Lawrence Innis and William Gladstone, who will assist in the two-day service there. The party will return to Prince Rupert.

Col. S. D. Johnston has returned from Victoria where he was present at the unveiling of a memorial to the 13th Canadian Scottish Regiment.

Timely RECIPES

CRANBERRY RICE CREAM

Cranberry Rice Cream is one of those desserts which has the happy faculty of requiring day-before preparation. Safe in the refrigerator, it presents no problems on party day. The sauce, however, is best served hot—but don't make the mistake of putting the hot sauce on the cream dessert until it is served—allow the guests to do their own sauce lading at the table.

Ingredients:

- 1 envelope unflavored gelatin
- 1 cup cold water
- 1 cup cold milk
- 3/4 cup cooked fluffy rice
- 1 tablespoon sugar
- 1/4 teaspoon salt
- 1 teaspoon vanilla
- 1 cup heavy cream, whipped
- 1 lb. can whole cranberry sauce
- 1/4 cup brown sugar

Method: Place gelatin in custard cup. Add cold water and let stand 2 minutes. Place custard cup in pan of boiling water until gelatin dissolves. Add to cold milk. Add rice, sugar, salt and vanilla and chill until slightly thickened. Fold in whipped cream. Spoon into sherberts—or pour in to large mold—and chill until firm. When ready to serve, heat cranberry sauce with brown sugar until piping hot. When serving let guests ladle hot cranberry sauce over rice cream.

Makes 4 to 6 servings.

More Air Lift Of Mail Asked

Prince Rupert Chamber of Commerce decided last night to ask the postal authorities to have first class mail carried on both of the daily flights of Canadian Pacific Air Lines including Sunday.

The inconvenience of having the mail close at 9:25 in the morning was mentioned and it was felt, in view of this, that the second flight should also be utilized.

The Chamber will continue efforts to have a speeding up of wicket service at the local post office particularly at the stamp vending and parcel weighing wickets where congestion arises late each afternoon, particularly around 5 p.m.

What is probably the only such course offered in the province has been announced by the school board for night school this year.

A beginners' band course for adults will get under way as soon as 10 or more applicants are signed, said Fred Huber, Booth Memorial High School musical director, today.

Musical instruments of all types will be available and up to 30 students will be accepted. Instruction is to be once a week.

"The Civic Band has difficulty in finding replacements for members that have left and we hope to solve this problem by teaching interested adults the rudiments of band music and instrument playing," Mr. Huber said.

"There must be all kinds of people here who would like to blow a horn. Well, here's their chance and I am sure there will be band material graduate from these classes in a very short time," he said.
