

FIRE INSURANCE

Fire insurance is the cheapest commodity on the market today. The rate on your dwelling is from \$1.30 to \$2.00 for each \$100.00 of insurance for 3 years, depending on its location. This means that if you carry insurance on your dwelling for 150 years without a fire you will have paid out only the amount for which you are insured. It is so cheap you can not afford to be without it. We write it.

IS ARRESTED FOR MURDER

Degenerate Kills a Woman at Anchorage and Puts Body in a Well.

Seward, Sept. 10.—Wm. Dempsey, who shot and killed Deputy Marshal Isaac Evans, and then escaped and later was recaptured, has confessed to having been implicated in the murder of Margaret Lavor of Anchorage.

He implied that he assisted another. He said they did not intend to kill the woman, but simply to lure her to his cabin while her store was being robbed. Instead of knocking her unconscious, the one blow from the "sand bag" caused her death.

This confession to the officers was made before the body of the woman had been removed from an abandoned well in Anchorage, where it was found under a false bottom after dogs had attracted attention to the well. The truth of his statement is proven by the fact that the woman's head was smashed.

At a preliminary hearing a charge of murder will be made. This will be held in the jail, as the officers are afraid to take him outside to the courtroom for fear of popular feeling which is running high against him here.

Dempsey is a degenerate. He was born in the Children's Aid Directory in New York City and reared in a foundling's home. He was a tough character. He absolutely shows no remorse of any kind, other than the fear of punishment to himself.

The woman whom he killed was a well known character of the underworld, having, since coming to Anchorage, kept a cigar store and soft drink place opposite the ball park there. She wore much jewelry and made money. The officers suspected Dempsey from the first, and while they were searching for the body he left for Seward and information was sent here for Deputy Isaac Evans to arrest him.
