Loggers Are Back on Job

VANCOUVER — Some 15,000 loggers streamed back to work in British Columbia timberlands today after a two-month lay-off caused by the drought which ended at the week-end.

The forest fire hazard now being ended by the heavy week-end rains, Minister of Forests E. T. Kenney lifted the forest closure imposed June 12. The lifting was effective Monday midnight.

The closure had affected some 2000 woods operations in Vancouver forest district which takes in southwestern sections of the province and Vancouver Island.

The record drought, including one stretch of 98 rainless days, cost British Columbia about \$40,000,000 in lost wages and lumber production.

Loggers packed on to every available plane and ship which would take them back to work. Airline and steamship companies said the rush would probably continue for another three or four days.

WINNIPEG WORLD CHAMPION — Vivian King, 20-year-old Winnipeg department-store clerk, is helped from Lake Ontario after winning the three-mile women's professional swim at the Canadian National Exhibition. Miss King finished a quarter-mile ahead of second place. Lies Pitt of Montreal. She collected \$1,050 for her winning time of one hour and 23 minutes. It was her first professional race; she won the amateur swim at the C.N.E. the previous week. (CP PHOTO)

Lad Climbs High Mount

EDMONTON — Fourteen-year-old Paul Cross is the pride of Edmonton section of the Alpine Club of Canada. He qualified for active membership by climbing 11,000-foot Mt. Huber in the Rocky Mountains.

Paul has been interested in climbing since he was seven or eight years.

He "warmed up" for his hike up Mt. Huber by climbing 8,900-foot Mt. Wixxy and going part-way up two other mountains just a week before.

"The club is quite proud of Paul," said Gladys Hartley, chairman of the Edmonton section.

"He is believed to be the youngest member ever to make the climb."

Violation of Human Rights

VANCOUVER — Refusal of the British Columbia government to give financial help to Roman Catholic separate schools on Monday was called "violation of the declaration of human rights."

A resolution criticizing the government for its stand on the separate school question was adopted at the annual meeting of the Federation of Newman Clubs, an organization of Catholic University students.

Meanwhile, one of two Catholic schools closed last April in Mallardville, near New Westminster, re-opened Tuesday.

A second school remained closed and there is no indication of an immediate re-opening.

Some 650 children were withdrawn from parochial schools last April in protest against what the Roman Catholic school board said was the government's refusal to bear more of the operating costs of separate schools.

U.S. Strong In Finance

WASHINGTON, D.C. — President Truman said Tuesday that the United States is stronger economically than ever before. He denounced as lies claims that the government is spending its way into bankruptcy.

The President said that those who are spreading the story of possible bankruptcy are doing it to "frighten the voters," particularly as visions of elections dance through the heads of gentlemen who are politically inclined.

Truman spoke at the dedication of a building for a general accounting office watchdog for Congress on federal spending.
