SAVE YOUR SIGHT

YESIGHT—The most valuable of all the senses—is the most neglected and the least understood. Many suffer from it, which, upon examination, can be traced directly to defective eyesight.

THE removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.

REBEKAH'S SOCIAL ENJOYABLE EVENT

Banquet Last Night Followed the Business Session—Picnic Being Held Today.

Last evening the Rebekah Lodge entertained at a social evening in honor of Miss Lottie Tait, the president of the order for the province. Noble Grand Daggett was in the chair for the first business part of the evening. James Brough, the district deputy of the order, made a very excellent speech.

At ten o'clock the meeting was thrown open and there was a reception for the Oddfellows and their wives. It was a general banquet with songs and speeches. Later dancing was the order of the entertainment and the festivities were kept up until one o'clock.

This afternoon an excursion is being held to Digby Island under the auspices of the Rebekah lodge with many of the members attending.
