ANOTHER WIN FOR CALLIES IN THE LEAGUE

Scotchmen Beat Trail by Score of 2 to 0 in Fast and Close Game Last Night.

Last evening's football game between the St. Andrew's Society and the Trail Athletics ended by a score of 2 to 0 in favor of the Scots. The game was fast throughout and was one of the closest exhibitions of football since the league commenced. The Trail boys only fielded ten men but these played a brilliant game and particularly noticeable was the good work of their backs. Very seldom did the Callie forwards break through the excellent defence work of Harry Menzie and Harry Day.

The game started off with the blazers kicking down the slope. A heavy wind in their face prevented the Callies players from punting the ball away up the field. The goal kicks very seldom went across the half line, as the ball seemed to rise in the air and then stop just at the feet of the Trail boys who were off at once and kept pounding away at the half-backs of the thistle defenders. It was in the first half that Goalie Jack Clapperton made such a good showing, for many times did he save the ball from passing through. There was no score before the whistle blew for rest.

The second half was characterized by the same gusto amongst Harvey's boys. They were fighting hard and the Callie forwards seemed to be unable to do much in spite of the repeated advances by the defence men. At last Tommy Black broke away and scored. A short time after Bill Murray got another goal on a penalty and then the game began to settle and many erratic kicks sped away the time. The last few minutes were rather dead and alive but the Callies still pressed to make the score a little surer.

J. Day Bell was referee last evening and closely followed the play throughout.

The line up for the Callies was as follows: Clapperton; Bill Murray and Jimmie Currie; Mitchell, Bennett and Danny Main; Williams, George Sellars, Tommy Black, Bobby Wiggins and Bob McLean.

Trail: Winsby; Harry Menzie and Harry Day; C. Watman and G. Shaw; W. Anderson, V. Menzie, S. Hardy, Clayton and Ed Craggs.

Sport Briefs

Before the game last evening, Harry Day was punting the ball around and had not had occasion to take off his hat. When the game started he removed his lid and a sight was revealed to the crowd which caused some consternation. The sturdy back of the Trail builders had a close hair-cut, and the broad expanse was rather unusual for Rupert's great baseballer.

Fans are still wondering what sudden impulse seized Mitchell last night when he knocked the ball from Harry Menzie's hands on a throw in. Jimmy was confident that it was the Callie ball, but a frown from the linesman, Doc Clapperton, satisfied the eager youth that he was in the wrong. A very tense situation was relieved, as the unwarranted attack by the Scotchmen's half-back might have led to terrible complications, if Harry had made very strenuous objections to the seizure.

Tickets are now selling very well for the smoker, which is being given on Monday evening by the football association. An excellent and varied program is promised, with a three-round boxing match as a head-liner. Other phenomenal features will be the juggling and conjuring acts. Dancing and singing have a prominent place for the night.

According to a despatch received from Cleveland today, Johnny Kilbane, the featherweight champion of the world, will retire from the ring.

On Wednesday afternoon there was a meeting in Calgary of the Rugby Football Union which went out of existence after the first year of the war. The meeting was specially called for Deacon

White of Edmonton who was visiting in the city at that time. He is one of Alberta's chief rugby promoters.

Local boxing fans are now taking great interest in the approaching matches to be staged for the Dempsey-Carpentier fight. Many are of the opinion that Carpentier is too clean a fighter to be pitted against this American wonder who seems to have the inborn instinct for landing a punch and guarding himself at the same time. As for a match with Beckett, it is thought that it would be wholesale slaughter for the English pugilist to be set against the American winner.

Notice is hereby given that on and after the 15th day of September next all fishing for salmon with gill-nets, purse and drag seines is prohibited in the following described waters:—

All those waters in and adjacent to the Islands and Mainland of the Coast of British Columbia lying south of the north end of Porcher Island and extending south to a straight line drawn from Swanson Bay to the north end of Aristabel Island.

This order does not include the Skeena River, Arthur Passage, Telegraph Pass, and Queen Charlotte Islands.
