Football Fact and Fiction

Tonight's game will bring the Canadian Legion and the General Motors into competition. The Motors are hoping to have their former stand-by Glen Olsen in a strip again and will choose their team from Boulter; Robinson, Lien; Tait, Olson, Jennings, Price, John Wilson, Pat Wilson, Letourneau, Williams, Mercer, White, Kirk, McKay and Dixon.

Next Saturday will see the Kincolith native team in action, and Sunday evening should see the team from HMCS Ontario against a local eleven.

By the way what is the matter with the local players that they do not turn out in time for games? On Saturday evening the Aiyansh team was in strips all ready to go at 7 o'clock and there were only five of the Rupert team ready. Then there was no referee and the grounds were not completely marked out. If the players want spectator support they must deserve it. They should turn out and help the executive, the game and themselves.

Rupert Has Lucky Win

Saturday evening's challenge football game between Aiyansh eleven and a selected team from Prince Rupert football clubs resulted in a win for the city eleven by the only goal of the game. The Aiyansh team were unlucky in that the goal was scored by one of their own players in endeavoring to clear his own goal and their other bad luck was their failure to capitalize on a penalty kick.

Pavlikis and Pat Wilson showed nice combination but Eli cleared. Aiyansh staged a strong attack until Alex Gomez headed out a hard drive. Play went from end to end but the defences were equal to the strain. Krause saved a good shot from J. Morvan. Halvorsen now came on to complete the Prince Rupert team. Davis tested Krause with a long hard drive that the goalie held at the second attempt and cleared. O Woods, from Adams' pass, forced a corner and J. Morvan also forced a corner but the cross was cleared.

Eli stopped Ford on resuming. Halvorsen placed a long free kick right on the target but Nisyok was there to clear. Then Pat Wilson turned an awkward pass against the cross bar and breasted the rebound into goal where O. Wood, in trying to clear, scored against his own team. A penalty for handball in the penalty area gave Aiyansh a chance to equalize but Davis shot wide. Mercer went close. A. Gomez went close from Wilson's pass. Nisyok cleared well from A. Gomez and also saved a splendidly taken corner by Murray. The Aiyansh goalie turned Gomez' hard drive over the bar. Murray turned Gomez' kick into the goal but foolishly used his hand in doing so and spoiled a great chance. Full time came with the game speeding up but no further goals.

Teams:

Aiyansh—Nisyok; Rod Robinson, S. Eli; N. Woods, Raynold Davis, Richard Gunot; O. Woods, D. Gunot, Percy Adams, J. Morvan, E. Morvan; Oscar Mercer, Dick Nisyok, Clayton, Reg Pearson, Jacob David.

Prince Rupert—Krause; Baxter, Dunbar; Halvorsen, Petersen, D. Gomez (captain), A. Gomez, Pat Wilson, Pavlikis, Ford, Murray.

Referee—Pat Forman.

PLAY COMMENT

The game was not up to last year's standard but both teams will improve. Nisyok kept a great goal. Robinson was very safe and Eli did well. Reynold David was a forcing centre-half but missed the penalty badly. N. Gunot and R. Gunot were hard-playing wing halves. Percy Adams was always a threat at centre but their usual combination was lacking.

Krause was not severely tested. Dunbar played a great game at back and Baxter showed his versatility with neat tackling and timely kicking. Petersen played hard but much of his neat footwork was spoiled by his hanging on to the ball too long. Darrow Gomez was a stumbling block and veteran Halvorsen filled in well enough. Wilson was the best forward, passing well and shooting on the target. Pavlikis had an off night. A. Gomez played hard but neither Ford nor Murray played up to form.

Commercials Win Again

Score Second Win of Season In Senior Baseball

Coming up with the second win of the season to place top in Prince Rupert's baseball league, Commercials Sunday afternoon scored a 2-0 victory over Gordon & Anderson. Larry Warner, starting and winning pitcher, hurled the nine inning route ad gave up oly three hits.

From the first inning, when Bruce Simundson got home on a base on balls, yielded by Gordon & Anderson's new pitcher, former Catcher Cartelli, Commercials held the lead, and in the sixth inning scored another run on a first base error.

The G&A battery was new throughout with Darrell Young behind the plate.

There was no serious hitting throughout the entire game, with the exception of a two-base hit by Stan Cornwell, playing-manager of G&A. But an attempt to steal third didn't quite get over and he was put out by a fast play between Windle and Matthews, second and third basemen.

The G&A men played a good game but made several fielding errors which gave Commercials the edge. Losing pitcher Carelli was a hard worker throughout the game, and gave up only five hits and four bases on balls. He struck out seven men at bat.

It was a fast game, with most of the none-scoring innings going one, two, three—down.

In a dashing attempt to steal to third, Commercials' first batter, B. Simundson, slid the knee out of his uniform. A call for safety pins was made in view but when Bruce came up to bat the next time the trousers were neatly patched with white adhesive tape.

Letourneau was umpire-in-chief. Dave Abel was field umpire.

Several remarkable fielding accomplishments featured the game. Desonner, new first baseman for Commercials, caught a rising line drive off Stan Cornwell's bat.

Sunberg, G&A second baseman, made a flying tackle to stop a hot line drive by Bill Gunn, Commercial's left-fielder, who made a lot of running catches himself yesterday.

Ray Spring, left fielder for G&A, came in for a big hand from some 200 spectators as they saw him run fast and jump to make the catch of a high soaring fly by Desonner.

To Clean Up Anyox

Ten Thousand Tons of Steel Being Moved as Old Smelter Town is Razed

By the end of the year an estimated ten thousand tons of steel from the once great metallurgical plant which Granby Consolidated Mining, Smelting and Power Co. operated at Anyox for some thirty years will have been removed by J. H. McMahon Ltd., Vancouver wreckers who are delivering the steel to Vancouver Steels Ltd. The job is to completely clean up the old site and the removal of steel includes that which is contained in such large buildings as the old smelter, concentrator and coke plant. Only the Hidden Creek power plant will remain intact.

The steel will be removed by skyline from the old plants to the beach at Anyox and loaded on to barges. Each barge will carry 500 tons of steel and they will be towed two at a time a month to Vancouver.

J. H. McMahon, head of the wrecking company, which has 25 men on the job at Anyox, returned last night on the Camosun to Anyox after having come here with Harry Porteous, one of the employees who was brougat to the city for hospitalization.

GALT, Ont. (CP)—"Buddy," pet budgerigar of Police Constable and Mrs. Lloyd Bender which plays with the family dog, took a holiday when the back door was left open. Four days later the bird was returned from another house where it had made itself at home.
