# CITY EX-ALDERMAN FIRST CANDIDATE IN BY-ELECTION

## India Won't Sign Treaty

WASHINGTON —New and less-benevolent American policy toward India appeared certain today to result from Prime Minister Nehru's refusal to sign United States-backed peace treaty with Japan. American officials made no secret of their disappointment at India's public denunciation of proposed treaty draft. They said it would give timely ammunition to new Moscow propaganda drive to wreck Japanese treaty.

The ex-alderman, well known in the city for various organizational leads he has taken, told the Daily News today he is running independently because "I don't believe politics or factions should play a part in civic government."

The reason that Mr. Youngs again is aiming for a civic election seat is that "I have the fullest faith in the development of the North, in particular of Prince Rupert, and I have the time and interest to devote my energy to the job of mayor."

"The most important stage of development will come here within the next two years," Mr. Youngs forecasted, "and I feel we should prepare ourselves."

Mr. Youngs came to Prince Rupert first in 1939 with the Department of Mines, and then remained to go into private business. He has a far reaching background of engineering and has played a leading role in organizing many campaigns in the district.

He was chairman of the Prince Rupert Exhibition this year and recently was appointed by the Parks Board as superintendent.

An ex-alderman, Mr. Youngs was a member of the board of works and finance chairman in 1946 and '47. He indicated he would seek re-election at the December elections.

**Murder Trial—Evidence Withdrawn**  
 SEOUL (CP)—Charges of duress in the murder trial of Glen Roland Blank today prompted prosecution to withdraw from evidence a purported statement by the Winnipeg soldier that he was at the scene of the crime.

The testimony of the investigating officer was stricken from the record of the Canadian court martial after defence counsel charged that the investigating officer had forced statement from Blank.

Blank, 37, one of the three privates, members of the Princess Patricia's Canadian Light Infantry, is accused of murder in the death of Lieutenant E. Chong Sung, one of three Koreans, killed March 17 when a grenade was thrown into a Korean house near Chipyong. Others accused are Donald Gibson, 22, Ottawa, and Alan Davis, 24, Vancouver.

## Flock of Double-Headers Doesn't Alter Placing

NEW YORK (CP) — The torrid American League pennant chase remained unchanged after a flock of doubleheaders on Sunday. First-place Cleveland Indians held firm one game ahead of New York Yankees with Boston Red Sox five games off pace.

Indians and Red Sox split a double-header. The Sox took the first 5-0 and the league leaders the second, 2-1. The Yanks divided a twin bill with Chicago. The pale horse grabbed the first game 3-2 and the Yankees the second 8-6.

In other American League action, Washington Senators took two from last place St. Louis Browns 9-1 and 9-3, while Detroit Tigers polished off Philadelphia A's 6-0 in their single game.

Meanwhile, the National League race continued to tighten with New York Giants whitening away Brooklyn Dodgers' lead to six games by winning two from Chicago Cubs 5-4 and 5-1. The Brooks divided a double-header with Pittsburgh. Cubs captured the first 12-11, and the Dodgers the second, 4-3 on Jackie Robinson's tenth-inning homer.

All other National League teams divided double-headers. Boston Braves whipped St. Louis Cardinals 9-1, in a nightcap, after losing the first 12-10. Cincinnati Reds defeated Philadelphia 4-2 in the opener, only to be shut out by Roo'de Niles Jordan in the second, 2-0.

William Gutchert who lived in Prince Rupert years ago is in the city, renewing many old friendships. He will leave tomorrow on his return home, which is at Esperanza, Vancouver Island.

## Have A Wooden Nickel — Is The New Slogan

An old slogan will be revamped when some 1,000 delegates of the Canadian Congress of Labor meet at a five-day convention at Hotel Vancouver, September 17.

"Don't take any wooden nickels" will be re-issued: "Have a wooden nickel," as the CCL publicity committee hands out three-inch plywood nickels as souvenirs to all delegates.

"If one of the wooden nickels comes your way, take it. It may be worth more than the real thing," says the committee, referring to the high price of lumber today.

## Airmen Bail Out But Plane Lands Safely

ANCHORAGE (CP)—Four airmen bailed out of C-47 airplane when it went into a spin Sunday and were found safe near Friday Creek, close to the base of Knox Glacier.

The men were in mountainous country, too rugged for rescue planes to land, officials at Elmendorf Air Force base reported. Food and sleeping bags were dropped to them. The land rescue team was to be landed today on a sandbar in Friday Creek, some four miles away.

The quartet jumped from their C-47 when it was about 12,000 feet in the air at the start of its spin, the pilot said, after he and his co-pilot landed the plane safely at Elmendorf 28 minutes later.

## Miss Prince Rupert Returns

Miss "Prince Rupert"—or now, just plain Miss Iona Hardy—who came "very close" in winning the choice of BC's pulchritude at Miss PNE Saturday night in Vancouver today is working at her job as cashier for Northern B.C. Power Co. Ltd., "still a little excited."

"The final judging was terribly exciting, but the right person won it," said Miss Hardy today.

Miss Inez McLeod, Victoria's entry, won the \$1,000 prize and trophy as queen of the Pacific National Exhibition.

"We had a wonderful time—I won't forget it for a long while," beamed Miss Hardy, recounting

some of her experience. After the final judging, Miss Hardy was told she had been "very close" in first choice competition.

"I think the greatest thing—besides the competitions—was the big PNE parade. I never saw so many people all in one place. I even saw quite a few Prince Rupert people watching the parade and they waved to me."

Prince Rupert's candidate rode in the parade in a separate float car, driven by Jim Hatchett, Vancouver newspaperman.

"We were introduced to the mayor of Vancouver and signed the city hall register right close

to the place where the Duke and Duchess of Edinburgh will sign. "We never had a dull moment. From the first day all our meals except breakfast, were eaten at some banquet or other, and after the final judging we had a party with the judges and directors. "We were treated royally and with a lot of dignity."

Miss Hardy took home some prizes, too, which included clothing and novelties. And she lost \$4 on the horses. All the 18 entries stayed at the Georgia Hotel, two sharing a room. Chaperones were with them at all events they attended, said Miss Hardy.
