The regular monthly meeting of the Trades & Labour Council was held Thursday evening in the Carpenters' Hall, Fraser St.

Among correspondence was a copy of a brief presented to the government by the four major labor groups in Canada askin; for the imposition of price controls and the retention of rent controls. As further information on this matter was to be released in the near future it was sers. to delay action until the next meeting.

Infractions of the labor laws that were reported taking place in the city were ordered to be taken up with the labor depart-

LONDON (P)-A London hairdresser will be guest of honor at the 1951 American Convention of Hairdressers.

The favor falls on London cuiffeur, Raymond, the man who favors the shorter styles.

From the very first short-cut, Raymond has said: "Keep it short." This led to heated controversy between him and his closest rival-Steiner-who says: "Short hair is not feminine."

newspaper columnists have followed with interest the fierce arguments between these two, on the latest and most feminine length.

### George Bruggy Still Makes Trips to Hills

George Bruggy, who years ago was particularly well known in the Alice Arm area still makes trips into the hills. He still holds mining properties in the north. He has, in more recent years, made his home in Victoria.
