SAVE YOUR SIGHT

EYESIGHT—The most valuable of all the senses—is the most neglected and the least understood. Many suffer from it, which, upon examination, can be traced directly to defective eyesight.

THE removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.

You will generally find that it's an altogether superior article.

Have you noticed it?

Yes, it costs more, but think what you are getting.

Why, often the handles in one of the umbrellas we sell cost more—and are worth more—than half a dozen common umbrellas.

A splendid selection we show, \$2.00 to \$25.00
