A CLERGYMAN'S RECOMMENDATION

The Zam-Buk Co.
 Dear Sirs:

Appreciating what your balm has done for me, I should like an opportunity of recommending it to others who may be similarly afflicted.

For the last forty years I have had a patch of eczema on my right hand. I tried in every possible way to get rid of it—had treatment from several doctors and tried innumerable remedies, but received no lasting benefit. If a remedy eased it or cured it for a time, it always returned as bad as ever. One of my friends is a great believer in Zam-Buk, so I decided to give it a trial and sent first for a sample. You can imagine my amazement when even this small quantity brought me more relief than anything I had ever before used. I continued the use of Zam-Buk for two weeks, by which time the eczema, although of forty years standing, had entirely disappeared. That was one year ago, and there has been no return of it.

Yours sincerely,
 (Name of clergyman, from whom the above letter was received, will be given upon request)
