### SENIOR BASKETBALL—

## Elks Come From Behind To Win by Two Points

By ROALD FENNESS

Saturday night's senior game saw Elks win 53 to 51 over Mansons in as close and exciting a game as has delighted the fans this season. Some said it was impossible for even some who were supporters of the Elks had conceded the victory to Mansons. But, with 50 seconds left, Elks scored eight points to tie the game and go ahead and win by two points.

The game started out at a fast pace with Mansons grabbing an early lead. They lost it only three times. Until the last few seconds they seemed to have the game sewed up. But then the league-leaders really got clicking to grab the surprise victory.

Webster, with a high of 18 points, played flawless ball. Danny Bill turned in one of his better games. Olson, was simply amazing, pulling down dozens of rebounds at both ends of the court.

Elks had no standouts in the first three quarters of the game. They seemed completely disorganized, very seldom being able to make their plans stand up. But in the last two minutes it was a different story. Davis started the rally with a long shot. That was all the Elks needed. Sunberg poured in four long shots in a row. He was high for the team with 14 points. Sid Scherk made a couple of beautiful "hooks."

With the score tied and less than 10 seconds left to play, Don Scherk let go a shot from away out. Swish it went through the hoop, just beating the final bell.

If Mansons, with their 10 point lead, had stalled, they might have won. But instead, like good sports, they shot, missed, lost the rebound and the Elks scored instead. Incidentally, the Elks' last 10 points were made in five shots from away out.

In the legal department Gur-

vich and Morrison did a good job, calling 15 fouls on the winners and four on the losers.

In the third quarter a shot by Sid Scherk hit the wire behind the backboard, making the ball out of bounds. Gurvich gave the ball to the Elks and this time S. Scherk made the basket. Some said this call was wrong and that Mansons could protest. But Art Olson admitted he had deflected the shot. So Mansons' said it was a good game and that the Elks had won fair and square.

Mansons—Olson 8, Spring 4, Webster 18, McChesney 5, Bill 11, Youngman, Arney 5.

Elks—D. Scherk 10, S. Scherk 6, Davis 10, Matthews 4, Sunberg 14, Carlson 9.

the revitalized New York Rangers 7 to 2 Sunday.

The Hawks squeezed out a 2 to 3 decision over Boston Bruins in Sunday's other game.

The Rangers were playing their first game under their new coach, Bill Cook, from whom much is expected. They skated faster than they have all season and checked with exceptional vigor.
