Christine Currie Radiant in Candlelight Rites

The wedding of two popular and well-known Prince Rupert residents took place at First Presbyterian Church Thursday when Miss Christine Currie, daughter of Mr. and Mrs. John Currie, 618 McBride street, was united in marriage to Robert Currie, son of Mr. and Mrs. Charles Currie of Grand Avenue.

Dr. Wright officiated at the candle-light ceremony, in the flower bedecked altar. The bride wore a gown of white French lace and carried a bouquet of white and pink roses. The groom wore a tuxedo with a white shirt and a white bow tie. The wedding party included Miss Irene Kilgall, bridesmaid, and Miss Nina Youngman, flower girl.

The wedding trip will take the happy couple to Vancouver and points south. For her going-away costume the bride wore a suit of cinnamon pink gabardine with matching top coat and navy blue accessories. A corsage of gardenias completed her outfit. Both bride and bridegroom were born in Prince Rupert and are son and daughter of well-known pioneer families. They both attended schools in the city and are graduates of Booth Memorial High School. The bride has been in the employment of McRae Brothers and the groom is a machinist with the Columbia Cellulose Co. They will reside at Sixth Street and McBride.

Music, Stage Enthusiast Leaves City

Miss Yvonne Larson, formerly of the city teaching staff and more recently employed at the city hall, sailed on the Prince Rupert last night for Vancouver. Miss Larson will not be returning to the city at present as she will pursue her studies at the University of British Columbia this winter taking up advanced studies in education.

Miss Larson will be much missed, especially in musical circles, as in addition to her school activities she was secretary of the Prince Rupert Music and Drama festival and organist for the junior choir at the First United Church.

Might Have Been Serious

The city fire brigade had two calls, neither of which was serious, although both might have developed dangerously, firemen said.

First was at Empire Cafe where sparks had ignited the roof. The other was at McClymont Park where a large dead cedar, a well-known park feature, was ablaze. This was extinguished, but at any time it constitutes a fire hazard and park visitors should be careful not to light fires near it. Fire Chief Earl Becker cautioned.

The repairing of the C.N. steamer Prince Rupert brought together former officials of the local drydock. Glen McMillan, former superintendent of the yard and now superintendent of the Canadian National Steamships, with headquarters in Vancouver, and A. J. Squires, also a former employee of the local plant, and now Canadian Government Steamships Inspector were on hand. They were welcomed back by the many employees of the local plant who had known them well in former days.
