

PAYOFF HOLE—Jim Ferrier retained his Canadian Open golf title Saturday with a 72-hole total of 273, 15 strokes under par. The Australian-born pro was two strokes off the pace at the start of the final round, but shot a five-under-par 67 to take top money of \$2,250. Crack Marksmen At Bisley Meet

BISLEY CAMP, England (CP)—Despite the development of automatic weapons the expert rifle shot still has an important place in modern warfare. That's why picked marksmen of armed forces from all over the Commonwealth and Empire are here for the big Bisley Camp meeting in July.

The 82nd annual meeting of the National Rifle Association opened yesterday for two weeks. Historical individual and team competitions keep the widespread ranges of Bisley echoing until the climax of the meeting, the final stage of the King's Prize competition.

Canada's team of 18 expert shots includes a woman member for the first time. She is Miss Mary Maclellan, a bright-eyed schoolteacher from Charlotte-town who has been shooting since 1935. Her brother, Sgt. George Maclellan, was on the 1928 Bisley team.

Miss Maclellan qualified by placing 10th in the Bisley aggregate at the Dominion rifle meet at Connaught Ranges, near South March, Ont., last autumn. She is eligible for the military matches here by reason of her rank as lieutenant in the supplementary reserve of the Royal Canadian Army Medical Corps.

The Canadian team has been practising on the ranges since June 25 in all sorts of weather. Shooting goes on in Bisley's big matches no matter how high the wind or how heavy the rain.

The King's Prize itself is the most exacting test of marksmanship of all the varied competitions. Canadians have captured it six times, the last in 1929 when Lt.-Col. R. M. Blair of the Seaford Highlanders, Vancouver, won with an aggregate of 283 points out of a possible 300.

Shot in three stages to reduce the entry to manageable proportions, the King's Prize calls for the best marksmanship at all distances. The first stage demands 10 shots at each of the 200, 500 and 600 yard ranges. From this the 300 best scores go into the second stage, calling for 10 shots at each of the 300, 500 and 800 yard distances.

Only the top 100 marksmen qualify for the final stage, firing 15 shots at each of the 900 and 1000 yard ranges. For final placings the aggregate scores of the second and third stages are compiled.

At the longest ranges the marksmen are firing at a target that is 10 feet by six. But the bull's eye itself, counting five points for a perfect shot, is only 30 inches in diameter.

English Fighter Becomes Middle Champ In Amazing Upset

SPORT SHOTS

Forty-two-year-old Luke Hamlin pitched for nearly four hours and finally drove in the winning run with a single as Toronto Maple Leafs defeated Rochester Red Wings 3-2 in 16 innings of International League play four years ago. Hamlin, a former major leaguer, was the leading pitcher for the last-place Leafs with a 15-6 record.

The first triple dead heat in New York racing history marked the running of the \$10,000 seven-furlong Carter Handicap at Aqueduct, seven years ago. Bosanquet, Brownie and Wait a Bit all closed fast in the last few furlongs and couldn't be separated at the wire.

For the second time in cricket history, a test match was abandoned without a ball being bowled 13 years ago when rain fell for the fourth successive day at Old Trafford, Australia eventually retained the ashes as each side scored a victory and two matches were drawn. Another test was rained out at Old Trafford in 1890.

Kincolith Team Coming Saturday

When neither Battery or General Motors fielded full teams for the North Star City League football fixture Monday night, the partial teams took to the field for an exhibition and counted one goal each.

Battery and Canadian Legion are meeting tonight in a league fixture.

A special football feature for the week-end will be a meeting between the smart Kincolith native football team and Battery of the City League.
