B.C.'s Own CAKE MIX

"Headache?..take a Disprin"

Why **DISPRIN**? Because **DISPRIN** is soluble and substantially neutral.
When taken in water as recommended, it enters the stomach as a
true solution and not as undissolved particles. It is therefore less liable
to cause stomach discomfort.

DISPRIN is readily absorbed. Because it definitely dissolves (not merely
disintegrates) **DISPRIN** permits speedy absorption and gives fast relief.
DISPRIN is palatable. Even children will take it readily.

Back From Tour Of Auld Scotia

After a seven months' tour of
Mr. Wilson-Murray's native
Scotland, Mr. and Mrs. W. H.
Wilson-Murray are back home
in Prince Rupert.

They visited many places of
historic interest in addition to
Mr. Wilson-Murray's birth city
of Edinburgh.

To Mrs. Wilson-Murray partic-
ularly it was a revelation and
a delightful experience and she
is still enthusiastic about the
trip. It was her first visit to the
Old Country.

She was struck by the slow
gait of the people of the Old
Country. "We think it's bad
here," she said, "but you ought to
see it there."

Former Prince Rupert people
whom Mr. and Mrs. Wilson-Mur-
ray met in Edinburgh included
Norman (Wee Mac) Macintosh,
pioneer local newspaperman,
who is still going strong, and Mr.
and Mrs. Stan Wilson. Mr. Wilson
was formerly on the local Royal
Bank staff. Mrs. Wilson is the
daughter of Mr. and Mrs. R. J. D.
Smith.

Popularizing Civic Centre

Director Jack Stirn's objective
to gain at least a 2,500 member-
ship for the Civic Centre is
prompting a greatly extended
program of entertainment, he
says, and one item on the list
will come to a "big surprise." An-
nouncement of the plan is ex-
pected Wednesday.

Meanwhile, Mr. Stirn points out
that facilities are available for
adult entertainment such as
ping-pong, billiards, hand-ball
and squash, and he will lend full
support in arranging organized
leagues in these sports.

last night a few hours after it
was reported missing by owner
Joseph Borowski. It was taken
from its parking place on Fraser
Street and was found parked on
Second Avenue West. Police be-
lieve a joy-rider took the car.

In view of the busy pre-Christ-

Aluminum is friendly to food

"The proof's in the eating"...

AGREE THREE SMILING GENERATIONS

Good cooks are proud of their favourite
recipes. And when they find utensils
that cook food well, preserve flavour
and quality, and clean easily, they're
proud of them, too. That's why so many
homemakers write in to tell us about
their aluminum utensils. Aluminum has
been a Canadian kitchen favourite
for half a century. So many mothers
do more than teach their daughters
to cook; they teach them to use
good utensils, too!

Dear Sirs:
My aluminum cooking utensils, purchased in 1927,
have been in use daily ever since and are still
in perfect condition.
Proof of the high esteem in which we hold alumi-
num cooking utensils is that my 3 married sons
and 1 daughter (now living in South Africa) have
all purchased sets of aluminum for their own use
and their health is a tribute to all concerned.
I might add that I would not part with my alumi-
num in favor of any other utensil.
