## BANKERS' ASSOCIATION PRESIDENT'S OPINION

### E. L. Pease Who is Expected Here Tomorrow is Optimistic Regarding Next Loan.

E. L. Pease, president of the Canadian Bankers' Association, who is expected to arrive here tomorrow, said in an interview in Vancouver that the east was in a very prosperous condition with greater demand for labor than the market can supply at the present time.

This impetus to some extent is ascribed to the working to capacity of the manufacturing plants so that they may take advantage of the exchange between Canada and the United States and already this activity is affecting the premium wall.

#### New Loan Will be Success.

That the new Canadian loan will be a complete success is the opinion of the visiting banker and his directors. "The people have learned that Canadian bonds are good security and it is my opinion that the small investor will be a large factor in the marketing of this new issue," said Mr. Pease. "Canada's paper currency has a greater gold covering, per capita, than that of the United States, but it is not policy for a country like Canada to extend long term credits to foreign countries, which have small probability of paying within the next 100 years. Canada needs that money to develop her own resources. She must produce and ship abroad more, that her own debt may be liquidated."

"I can hardly think," continued Mr. Pease, "that the Canadian government has discontinued her shipbuilding policy, as it is considered in financial circles as the salvation of the country, for Canada to own her own merchant marine."

Mr. Pease failed to agree with the opinions of some of the United States financiers that the clearing house of the commerce of the world will move from London to New York, and he pointed out that all the British colonies would continue to draw on London and despite the fact that Great Britain had sustained a severe blow in the war she was still considered a sound financial institution.

## Sport Briefs

The Prince Rupert football league in the year before the war consisted of four teams: Callies, Drydocks, Hornets, Merchants, and Sons of England. When the call came nearly every playing member was lined up for the greater game against the Hun. Of these at least a full eleven are among those who lie "where the poppies grow on Flanders fields." The names and teams are: James Stewart, Callies; I. Eardley and W. Elliot, Drydocks; Capt Adair Carss, V. A. G. Gamble, and W. Entwistle, Hornets; Lieut. A. M. Brighton, C. Dennis and Alf Hardy, Merchants; Lieutenant W. Reddihugh and Lieutenant G. Garnett, S. O. E., and Lieutenant C. R. Garden, Hornets.

The Canadian Amateur Hockey Association is starting business early this season. The announcement issued from the office of the secretary in Regina indicates at least that there is one sport organization in Canada that is alive to the present opportunity to place sport on its proper footing in the country.

The organization of the Calgary baseball and recreation company has been announced. It is the purpose of the association to place a team in the Western Canada baseball league in 1920. Dr. J. H. Birch is president, while E. W. Kolb is secretary. Prominent business men constitute the directorate. Several players have already been signed on, while Nick Williams, well known as a baseball leader on the Pacific coast, is favorably mentioned as possible manager.

In the Indian football game of yesterday the Aiyansh eleven trimmed the Kitimats by the score of 2 to 0. The playing throughout was not exceptionally brilliant although some of the players showed that they knew the game. A few of the players appeared to be novices and it was rather amusing to the fans to note the way in which the ball was tackled at times. It was not a rough game and referee W. E. Willisroft had only to blow his whistle for the throw-ins.
