

ACUTE NERVOUS EXHAUSTION

All Treatments Proved Useless Until He Tried "FRUIT-A-TIVES".

MR. JAS. S. DELGATY.

R.R. No. 4, Gilbert Plains, Man.
"In the year 1910, I had *Nervous Prostration* in its worst form; was reduced in weight from 170 pounds to 115 pounds.

The doctors had no hope of my recovery, and every medicine I tried proved useless until a friend induced me to take "Fruit-a-tives".

I began to mend almost at once; and after using this fruit medicine for 3 or 4 months, I was back to my normal state of health.

I never had such good health for twenty years as I have enjoyed the past six years. We are never without a box of "Fruit-a-tives" in the house".

JAS. S. DELGATY.
50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

LIMERICK CONTEST DURING NEXT WEEK

Five Dollar Prize for Best Verse Sent in Deafening With Local Topic.

The Daily News has decided to hold a limerick contest. For the best effort during next week a prize of five dollars will be awarded. It is suggested that the verse shall deal with local subjects, such as the fair, the hunting season, the visitors, the ship-building, the condition of the city, the streets, the schools, the Salt Lakes, the sports, or anything local or topical rather than general.

In order to give possible contributors some idea what was wanted, a local amateur aspiring poet was approached with a request for one or two samples of verses such as those which might be sent in by possible contributors. He wrote the following and sent them in saying that he would make no charge for his effort as he considered it was sufficient reward to be able to inflict the people of this city, against whom he apparently bears a grudge, with the verses. He says he will not be a competitor in the contest but he will watch with interest whether anyone is able to write anything better.

The Hunter.
Once a hunter went out with his gun
(For he'd rather shoot deer than the Hun)
He tramped many miles
And he tried many wiles
But of deer he never shot one.

A Naas Lass.
There was a young maid from the Naas,
She certainly was a nice lass,
She came to the fair
With a flirtatious air,
Which nothing round here could surpass.

The Chauffeur.
Once a chauffeur was driving a car.
He drove it so fast and so far
That he came to a bend
In the road in the end
And he's still below cranking his car.

Mrs. Larue Likes It

Mrs. Larue says she thought it impossible to do certain things without fresh cream.

Someone told her to use Pacific Milk as it comes from the tin and use it like fresh cream.

Mrs. Larue says that she really likes it better than cream for cooking.
