LANDS WANTED FOR SOLDIER SETTLERS.

Powers have been granted to the Soldier Settlement Board of Canada to purchase agricultural land to be resold to qualified returned soldiers settling on land. To assist soldiers in locating in any suitable district of British Columbia that they wish, the Soldier Settlement Board desires to have filed with them full description and lowest cash prices on a number of select quarter sections available for purchase in each district of the province. Purchases by the Board will be paid for in cash.

The public are informed that this land is for purchase by returned soldiers, and must be of good agricultural quality, and reasonable price, making possible the success of the soldier as a farmer. It should be within seven miles of a railway, open, free from weeds, water supply assured, and of moderate price. In giving particulars, mention nearest market and school. In comparison with the vast supply of vacant lands, the number of farms immediately required will be very limited. Owners, therefore, will kindly assist the Board by offering for the present only land which fills the above requirements.

No commission will be charged or paid. No offers to sell will be binding on the person offering, unless a sale is effected, and no obligation will be on the Board to accept any offer.

If application from a returned soldier be received for the purchase of land, an inspection and valuation of such land may be made by the Board. If approved negotiations may be entered into for the purchase and sale thereof. An approval is desired for each district in British Columbia.

For lands on mainland of British Columbia, address, Superintendent, Soldier Settlement Board, Rogers Building, Vancouver, and for lands on Vancouver Island, address, Soldier Settlement Board, Pemberton Building, Victoria, B. C. SOLDIER SETTLEMENT BOARD, CANADA.

## EMPLOYERS

## THE EMPLOYMENT SERVICE OF CANADA

The PROFESSIONAL and BUSINESS SECTION has been established to assist professional, business and technical men and women.

Many officers, soldiers, sailors and war workers, who sacrificed their positions during the war, now desire to secure employment in the occupations for which they have been specially trained.

Employers should not wait until increasing business forces them to employ anybody they can obtain, but should look ahead and avail themselves of this unusual opportunity to enlist the services of highly trained workers, ordinarily secured only with difficulty. On application there can be referred to you, for example:—
