PRISONERS CHOOSE CENTRAL B. C. FARMS

Group of Canadians in German Prison Camps Make Compact Regarding Future Homes.

It is a long cry from the prison camps of Germany to a farm in central British Columbia. British Columbia is romantic, as doubtless also is a German prison camp in a different way, but this romance embraces both.

The story in point, however, is told by Prof. J. M. Macoun of the Biological Division, Geological Survey of the Canadian Government, Ottawa. A nephew of the professor's, Geo. Scott, formerly of Winnipeg, with others, while a prisoner at Geisen prison camp in Germany, while considering their respective futures at the termination of the war, he with ten or twelve other boys conceived the idea that they would locate on the land together and Central British Columbia was selected as their haven of hope and rest.

Prof. Macoun is keenly interested and has done much important work in this section of British Columbia in the collection of Flora, etc., which the province furnishes in lavish profusion. In his work he is usually accompanied by Mrs. Macoun who is also well known in Canada for her descriptive writings.

Louise Glaum the delightful star of the movies is here tonight in the great dramatic film "Shackled." The name has a dramatic sound and the play is what the name infers. It is one of those stirring plays that keeps the audience spellbound from beginning to end.

Billy West is also on the program, the man who rivals Charlie Chaplin for real humor.

LANDS WANTED FOR SOLDIER SETTLERS.

Powers have been granted to the Soldier Settlement Board of Canada to purchase agricultural land to be resold to qualified returned soldiers settling on land.

To assist soldiers in locating in any suitable district of British Columbia that they wish the Soldier Settlement Board desires to have filed with them full description and lowest cash prices on a number of select quarter sections available for purchase in each district of the province. Purchases by the Board will be paid for in cash.

The public are informed that this land is for purchase by returned soldiers, and must be of good agricultural quality, and reasonable price, making possible the success of the soldier as a farmer. It should be within seven miles of a railway, open, free from weeds, water supply assured, and of moderate price. In giving particulars, mention nearest market and school. In comparison with the vast supply of vacant lands, the number of farms immediately required will be very limited. Owners, therefore, will kindly assist the Board by offering for the present only land which fills the above requirements.

No commission will be charged or paid. No offers to sell will be binding on the person offering, unless a sale is effected, and no obligation will be on the Board to accept any offer.

If application from a returned soldier be received for the purchase of land, an inspection and valuation of such land may be made by the Board, and the negotiations may be entered into for the purchase and sale thereof. An approval list is desired for each district in British Columbia.

For lands on mainland of British Columbia, address, Superintendent, Soldier Settlement Board, Rogers Building, Vancouver, and for lands on Vancouver Island, address, Soldier Settlement Board, Pemberton Building, Victoria, B. C. SOLDIER SETTLEMENT BOARD, CANADA.
