War Aftermath Still Evident

Nurses Hear Dr. Fiddes

Rev. Marvin Forseth, director of the Christ Ambassador Youth Movement of B.C., and also the provincial supervisor for the Pentecostal Sunday Schools of the province, opened a series of meetings at the Full Gospel Tabernacle Thursday night with a good attendance.

Mr. Forseth showed movies of part of his trip through Sweden, Denmark and Germany, showing the still appalling conditions under which the people in Germany live. Although it is much improved since the war, the devastation caused by the war is still very much in evidence. He showed one picture of a heap of rubble under which is estimated that seven thousand people are buried.

The most serious results of war are the homeless children that are left to look after themselves. Mr. Forseth said, "The moral condition in Germany is the worst he has seen anywhere."

Mr. Forseth spoke dynamically about the ability of Jesus Christ to meet every need for body, soul and spirit. The Lord is still able to forgive sin, heal the sick and set men and women free from the bondage of Satan, as he did in the records of the Scripture.

The regular monthly meeting of the Miller Bay Chapter of the E.C. Registered Nurses' Association was held on Wednesday evening. Following the business meeting a very interesting talk was given by Dr. G. W. Fiddes on the subject of "New Drugs and Their Uses."

Sent to Borstal Home for Year

William Donald, 18-year-old youth, will go to New Haven Borstal Home at Vancouver for one year. Donald had been given one year's suspended sentence May 30 for stealing. This week he was arrested for drunkenness, pleading guilty to the breach of reconnaissance.

Forming Dental Clinic in City

Formation of a dental clinic in Prince Rupert will be the purpose of a meeting November 14 called by Parent-Teacher Council here. Representatives of all city service clubs and organizations have been requested to attend.

The council calls condition of children's teeth in Prince Rupert "deplorable" and advises organizations that city dentists and Health Officer Dr. Duncan Black are co-operating fully in establishing a clinic.

Private Evans Now in Japan

Private George Evans, son of Mr. and Mrs. E. A. Evans of this city, after a full tour of service in action with the Princess Patricia's Canadian Light Infantry in Korea, is now in Kure, Japan, and is transferring to the provost service. He expects to remain indefinitely in Japan.

Pte. Evans had been due for home leave to Canada at this time but, while in Japan for a medical check-up, he missed the home draft so does not know when he will be returning. In any case, he will not be going back to Korea for the time being.

Pte. Evans, writing to his parents, says he likes Japan. "It's mysteriously Oriental," he says, "but it is nice and friendly."
