TOO MANY FEET FOR LIMERICKS

Great Many Contributions to the
Prize Contest Which Closes
On Saturday.

There are two things to re-
member in contributing to the
limerick prize contest. In the
first place there must be the cor-
rect number of lines and there
must be the correct number of
feet in each line. Any verses not
conforming to this rule cannot
win the prize. It is not a limerick
unless it is mechanically correct.

Limericks are coming in fast
and it is impossible to use them
all, but we shall publish as many
as possible. Contributors are re-
minded that the contest closes on
Saturday. The following are some
of the contributions:

Prince Rupert.

For the Premier port of the
West,
Prince Rupert is certainly best,
And there's mountains of ore,
Copper, gold, and lots more,
So you moneyed men come and
invest.

Rupert's Harbor.

Rupert's harbor is second to
none,
And the city will please every-
one,
When big ships take a notion
To cross o'er the ocean,
Rupert saves 500 miles on the
run.

A Sooner.

There's a city up North I know
well,
That's no place for a white man
to dwell,
For it rains and it snows,
And it blows and blows;
I would sooner be living in
(Vancouver).

Can It Be?

They say they are laying the
keel,
Do you think that the news can
be real?
They have been very slow
But we knew it would go
And we hope it will mean a
great deal.

They have Sunshine.

We went to the Prince Rupert
Fair
On a day when the weather was
rare,
You'd find no such weather
Outside of Vancouver—
And they say they have sun-
shine down there.

The Shady Past.

If all the dear ladies who
slander
Were summoned to Court by
supoena
Not one of them here
But would tremble or fear
For their own shady past that's
in danger.

The P. O. Site.

A Government once bought a
P. O. site,
Yet somehow or other it did not
seem right,
But those in the know
Got away with the dough,
And a long suffering public are
waiting for light.

The following verse is not a
limerick as it has not the proper
number of feet in each line. The
rhythm is not correct:

The Wayward Girl.

The Wayward Girl is a trim
little thing,
She's game to the very last.
She's foam at her stern
When she does her turn
For the dear little thing is fast.

GOOD CROWDS AT BOTH THE THEATRES

There were big houses at the
two local theatres last night. At
the Westholme, Rex Beach's fa-
mous story "The Brand" was
shown and much appreciated. It
was a story of Alaska with all the
thrills and rugged effects of the
Rex Beach stories.

At the Empress, the weird story
of a girl brought up in a native
village by an old beach-comber
was told in picture and named
"The Sea Flower."
The pictures will be repeated
tonight.

ROCKEFELLER GIVES BIG SUM TO MISSIONS

New York, Sept. 24.—John D.

board of the Northern Baptist
convention.

Pola, Sept. 24.—Four Italian
warships have been named by
D'Annunzio as units of the Fiume

LANDS WANTED FOR SOLDIER SETTLERS.

Powers have been granted to the Soldier
Settlement Board of Canada to purchase
agricultural land to be resold to qualified
returned soldiers settling on land.

To assist soldiers in locating in any
suitable district of British Columbia that
they wish, the Soldier Settlement Board
desires to have filed with them full de-
scription and lowest cash prices on a
number of select quarter sections avail-
able for purchase in each district of the
province. Purchases by the Board will be
paid for in cash.

The public are informed that this land
is for purchase by returned soldiers, and
must be of good agricultural quality, and
reasonable price, making possible the
success of the soldier as a farmer. It
should be within seven miles of a rail-
way, open, free from weeds, water supply
assured, and of moderate price. In giving
particulars, mention nearest market and
school. In comparison with the vast sup-
ply of vacant lands, the number of farms
immediately required will be very limited.
Owners, therefore, will kindly assist the
Board by offering for the present only
land which fits the above requirements.

No commission will be charged or paid.
No offers to sell will be binding on the
person offering, unless a sale is effected.
and no obligation will be on the Board to
accept any offer.

If application from a returned soldier
be received for the purchase of land, an
inspection and valuation of such land
may be made by the Board. If approved
negotiations may be entered into for the
purchase and sale thereof. An approval
list is desired for each district in British
Columbia.

For lands on mainland of British
Columbia, address, Superintendent, Sol-
dier Settlement Board, Rogers Building,
Vancouver, and for lands on Vancouver
Island, address, Soldier Settlement Board,
Pemberton Building, Victoria, B.C.
