### Smokies Rout Hawks 15-4 in Semi-Final Win

In the replay of a protested game last night the Firemen won by a very decisive score of 15-4 over the Hawks to win the semi-final round of the playoffs. They will now meet Rupert Radio in the finals.

Last night's game was a good game until the fourth inning when the Hawk's defence fell apart completely. The score at that time was 2-2 but in the top of the fourth, Firemen scored five times on four errors, two walks and a single by pitcher Art Olsen.

### C. of C. Notes

A reply from the director of postal services stated that the amount of business in the local postoffice would not warrant the installation of a postal meter in the lobby of the post office. Instead, it was suggested that congestion could be relieved if local business firms did their mailing at other times in the day.

Members held that separate tickets to handle letters and parcels would facilitate matters, and a delegation was appointed to meet Postmaster J. R. Morrison locally to discuss the feasibility of arranging this.

### Frisky Fox Family Pet

TORONTO (CP)—There's only one letter's difference between pet and "pet," but it's a big difference to 13-year-old Audrey Hinds.

Audrey, who lives in suburban Willowdale, has a pet fox called Freddy and she is getting a little weary of people telling her Freddy would make a better pet than a pet.

Freddy was found playing with the Hinds' two dogs on their lawn four months ago. Audrey's sister Pat captured the fox and gave it to Audrey.

Although he takes the occasional nip at strangers, and has eaten the family's pet rabbit "Snow White," Freddy is there to stay and has no intention of running away.

He knows Audrey's affection for him is more than skin deep.

### Ballet Fans In All-Night Line-up

LONDON — Sports events are not the only things that attract all-night queues in Britain. Ballet is claiming larger audiences with each season, making seats harder to obtain. Some 50 eager fans stood in line all night when the famous Sadler's Wells group opened at Covent Garden. Three of the enthusiasts dozed on camp beds while another brought along a stretcher.
