

# Pulp Mill Cagers Edge Students in Second Win

CCC300 49, Rainmakers 40;  
Mansons 69, Gordon & Anderson 49

By ROALD FENESS

With stiff opposition from the students, CCC 300 last night took the last game of the twin senior hoop fixture by a hard-earned nine points starring Marshall, Thompson and Ratchford for the pulp gang and Kristmanson and Morrison for Rainmakers.

Setting a gruelling pace from the start, Cellulose held a firm lead throughout but not without danger of upset, featured by the tough checking of Morrison, fast shooting by Watson and the leach-like hold Nickerson fastened on the aura of his opposing hoopster.

Ratchford carried the pulp mill forward line and setting up plays was his steady job. Marshall proved deadly under the basket and Thompson was aggressive all the way. These three standouts each scored 12 points.

Marshall, Thompson and Dumas landed on the bench via the foul route in the last half.

A last minute uprisings which had all the makings of a fist-cuff settlement landed pulp mill's Teichman on the bench for misconduct after taking a swing at Nickerson. Making up for lack of size by tenacious, bulldog sheeking, Rainmakers' blond-headed toughie sprawled to the floor with Teichman in a scramble, near falling foul to a backhand swing by the irate Three C's cager.

Referee Slatta and Davidson ruled a foul on each player, but sent Teichman off the floor.

## MANSONS

Right from the start, jewellers grabbed a lead, but lost it twice as Holkestad and Pierce combined to drive through with a scoring spree giving them 15 and 10 points respectively.

Spring led the scoring for Mansons with 18 points, assisted by Webster and Arney with 14 and 13 points.

# School Board— Looking Into Light Bills

## Resignations and Appointments

Alarmed at the high electric power bills for schools, school board last night asked Secretary Mrs. M. M. Roper to interview Northern B.C. Power Company for clarification of rates.

Last month's bill for lighting and power was \$1,300.

"At that rate we are paying \$13,000 a year for electricity alone," pointed out Mrs. Earl Becker, trustee, "and I think that is far too much."

Other trustees agreed. They said they didn't know what kind of rates the schools were being charged. They asked Mrs. Roper to get a clarification.

Two resignations from teachers were received last night and two appointments made as replacements. Mrs. N. W. Youngs resigned from King Edward school; Mrs. Mary Hutchinson, from Digby Island school.

Mrs. Vern Faulkner, following approval by the board of her application, was appointed to Digby Island, while Miss Jane Common, teacher at Port Simpson, was transferred to King Edward.

# Clothiers Hold Winning Streak in Fifth Victory

Fraser & Payne 57, Merchants 22;  
Maple Leafs 34, Bulgers 10

By ROSS INGRAM

Winning their fifth straight, fashionable cloth-whitewashed Merchants in last night's intermediate hoop bill with more than a double score which featured Christoff and Wesch in a scoring bee with points each.

Merchants just never had a chance. In the first minute after starting jump, Christoff scored in four baskets and from played flawless ball, scoring 12 points in the first quarter. In the last quarter, teammate Wesch broke through to finish off his heavy scoring with 10 quick points.

Roald Feness "reffed" his first intermediate game, helped by Morrison. Only five personal fouls were called on the winners, while none on the losers.

Bulgurs took their fourth straight defeat last night, this time by a washout from high school's Maple Leafs, leading 24 points at the final whistle. Outstanding for the students were Shenton and Shenton, scoring eight and seven respectively.

Shenton scored four of his points in the first quarter, and led his team rolling. In the second, Morrison with height advantage, scored five and Shenton followed with a similar score in the last. Mainstay for Bulgurs was Smith, who scored half team's points.

A spectacular shot followed when Maple Leafs' Forbes tipped rebound for a basket, which is an unusual feat for juniors.

WHY BLAME ME?

# BECAUSE you are actually the person who sets the price you pay for automobile insurance... that is, you and every other driver in your area.

There is neither mystery nor magic in the setting of automobile insurance costs. These costs are based on the amount paid out in claims in the different rating areas across the country.

If, during any period, losses are lighter than the earlier period on which the rates were based, your costs will go down. If accidents occur more frequently and bring about heavier losses, damages awarded become larger (as they have progressively done), then your costs must go up.

Every attempt is made as far as practicable to reward the good risk and penalize the poor one. That is why drivers under 25 are charged so much more for their automobile insurance. On the average about 14% of the people who

drive motor cars are in this young age group... but they are involved in 28% of all fatal accidents.

Automobile insurance premiums are, in general, considerably higher now than they were a few years ago. That is because accidents are far more numerous these days—and each accident tends to be more costly. That means more and more money paid out in claims.

When the cost of accident claims goes down—through more careful driving—automobile insurance costs will go down and you will profit.

Remember too, when you drive carefully, you save more than money—you save lives. And the life you save may be your own.
