**BASEBALL—**  
**Hotel Men in Shut-Out**  
**Commercials Robbed  
Of No-Hit Victory**  
A single base hit near the end of last night's baseball game spoiled what otherwise would have been a no-hit victory for Commercials as they pounded Gordon & Anderson in a shut-out defeat of 6-0.  
Slow moving Don Hawryluk trucked out 10 men and gave up the only hit to Gordon & Anderson's first baseman, Sunberg, in the first of the sixth inning. Then he continued to pitch his shut-out, the first this season.  
But the six runs brought in by the Hotelmen wasn't all due to their strong playing for the infield of G & A went completely to pot after the fourth inning. In all, 10 errors were accounted for, three by 3rd baseman Hartwig; four by shortstop Don Scherk; one by catcher Carelli, and two by left fielder Marshall.  
So, while rookie chucker Larry Matthews gave up eight hits, only two runs of their six were earned by Commercials.  
The game started out fast with both pitchers showing good control. But although 15-year-old Matthews threw a good ball with only one base on balls against him, he got little support from the field.  
The best showing Matthews made was in the last of the third when, with bases loaded, he pitched two strike-outs one after the other to clinch the inning without a score.  
With three assists already to his credit, Matthews gave up two hits, one to Morgan, the other to Bruce Simundson. Desonnier got on through a fumbled ball by third-baseman Hartwig.  
Miner Simundson stepped into the batter's box ready for the kill for with bases loaded any kind of a hit would bring in a run. And the pitches came, one-two-three—all strikes. That made two away, for Linney had looped out to left field. Left-handed Gunn stepped in next and repeated Miner's performance before him. The crowd loved that and rose with a mighty cheer.  
But in the fourth inning, the game got away from Matthews. Benny Windle dropped a curving loop into short centre for a single. Warner singled again. Hawryluk got on by a fielder's choice when Hartwig threw home to put out Windle coming in for the run. In a fast play between catcher Carelli and third, Windle was run down.  
With two men left on, Desonnier walked and loaded the bases once more. Up stepped Morgan and hit the first pitch on the ground, fumbled by shortstop Scherk. Warner came in with the first run. A hit by Bruce Simundson deep into right field brought in Hawryluk but a long peg to home from rightfielder

Ray Spring put out Desonnier to end the scoring for that inning.  
The fifth inning was almost a repeat performance by Commercials. They loaded the bases twice with two hits and three errors. Two more errors brought in runs and two runs were knocked in. Centrefielder Cornwell scooped up a swooping line drive by Windle, about the only good field play for his team.  
Losing pitcher Matthews, hurling all seven innings of the game, allowed 30 men at bat and eight hits, struck out four and gave one base on balls and another by hitting a batter.  
Shut-out pitcher Hawryluk allowed one hit off 24 men at bat, two bases on balls and struck out 10 with no runs.

Of Softball**  
A new deal in the Senior Softball League will go into effect next week in an effort to improve the competition. The North Star entry is folding up and their players will strengthen the Hawks and Firemen teams.  
Pitcher Lloyd Lahti, Catcher Windy Schwab and Outfielder-Pitcher Frency Vigar will go to the Hawks while the remainder of the Stars will aid the short-handed Firemen.  
Rupert Radio and Cellulose had proved much too good and loose games were the result but it is felt that the changes should result in a much tighter league.  
The new schedule will start next week with the first game on Wednesday, July 4.  
Tonight Rupert Radio and Columbia Cellulose meet in a game to decide the first half win-two clubs the Cellulose boys won 8-1 and will be out to repeat. Manager LePage will probably start fastballer Chuck Teachman on the mound while Rusty Ford of the Radiomen has Monk Sundberg, Jerry Ford and himself all ready to start.
