Thorn in Flesh Of American People.

When the negroes were brought to the United States by the slave dealers and purchased by the owners of the big cotton and other plantations in the south it was not imagined that in after years they would become a thorn in the side that would cause all sorts of trouble in future years. That is what has happened, however. One big war has been fought because of their presence and now there is a race war on, almost throughout the country.

The negroes were brought to the country against their will and in virtue of that fact they have a perfect right there and to the privileges of citizenship, and to equal treatment with the whites.

Keen on Having Treaty Signed.

Some of the people of the United States seem to be very keen on having the Peace Treaty signed. They are so worked up over the matter that they refuse to hear speakers who are opposed to it. To throw eggs at the speaker is not a dignified method of expression, but it is very forceful and effective.

Belgium's King Arrives in States.

Belgium's King has arrived in the United States. He and the queen are being well received and they deserve everything that is given them. In these days when there is such a tendency to discuss who won the war, credit must be given to the little kingdom that Albert represents. If any country won the war, more than another it was Belgium. At a time when she might have well pleaded diplomatic expediency the little country went out to fight the giant and all the glory of David is hers. Belgium won the war. That settles the controversy.

Football Season Comes to End.

St. Andrew's Society is to be congratulated on having won the Mobley Cup in the Football League. There have been a number of good games in the series and the Callies have held their own well. The two strong teams, the Callies and the Sons of England won a game each and there is keen rivalry between them. Possibly even yet a match may be arranged between these two that would prove of great interest. Both sides have some crack players and if an afternoon match could be played it would prove a great attraction. Possibly another year some of the other teams of the city will have strengthened their line up so that the present league leaders will not have it all their own way.
