INDUSTRIES TO BE AIDED

Few Applications Made to the
Provincial Government that
Are Practicable.

Victoria, October 6.—The advisory council of the Provincial Department of Industries is called to meet here on Friday next at the Government Buildings. Major Martin, the industrial commissioner, states that there are a large number of schemes to come before the council for its consideration. Many of the proposals made, however, he considers are quite impracticable. While application for aid amounting to something like a million dollars have been made, only about \$70,000 of these look like being acceptable.

The purpose of the department is to aid industries which might be established in the province for the purpose of providing for returned soldiers.

F. G. Dawson of Prince Rupert is a member of the Advisory Council.

Sport Briefs

A rather interesting sight which passengers on the train remark on is the seeing of a magnificently furred black bear fishing for humpbacks in the Bulkley canyon near New Hazelton. He has been spotted several times but always bolts in his quick but clumsy way when the train passes.

The V-shaped flock of geese that are to be seen winging their way southwards these days are good indications that the north is getting chilly. Delusion Bay and other mud-flats ought to be popular with the local huntsmen soon.

The St. Andrew's Society are holding a meeting on Wednesday night to draw up plans for the putting up of a first class basketball team for the coming winter series. The St. Andrew's men, better known as the Gallies, have always proved formidable rivals in almost every line of sport and invariably enter excellent aggregations.

There are several prospects for world's heavyweight boxing contests. Willie Meehan and Bill Brennan, it is reported, will meet the new champ in Jersey City. "Patting" Levinsky would give him a good run, but he has not forgotten the nasty poke the husky Jack gave him in their last encounter.

Jack Dempsey has signed a five-weeks circus engagement with the Sells-Floto Circus Co., and opened in Texas yesterday. The champion is now considering a \$200,000 offer to take a star role in a photoplay.

Harry Kopf, short stop, and Eddie Eousch, centre fielder, who starred in the second game of the world series, were both turned down by the American League as being "no good." The Sox, doubtless, have changed their minds about this. The two Chicago dependables, Eddie Cicotte and Claude Williams, fell down terribly. Such are the eccentricities of the national game.

In Evansville, Indiana, Judge Philip C. Gould of the Circuit Court announced the results of the world's series from the bench.

Alderman Barrie again brought up at the meeting of the City Council last night the matter of sending one of the permanent officials to attend the meeting of the Union of Municipalities convention. It was shown, however, that as the convention opened today it was too late to send anyone.

C. Youngman and Fred Hardy having notified the City Council that they did not intend to make use of the loan of \$2,500 to each of them under the housing scheme the loans were re-allotted last night by the Council to Hugh Killen and H. T. Collison.

"Zam-Buk made it well"

Children never forget a remedy that ends their pain. That's why a child who has once had Zam-Buk applied to an injury will cry for it again when hurt.

Mrs. T. Fothergill of Ridge Farm, Bousman River, Man., says: "My children are constantly getting cut, bruised or burned and for these injuries I find Zam-Buk indispensable. The little ones even cry for it. For fifteen years we have used Zam-Buk in our family, and could not do without it."

Mothers should always keep a box of Zam-Buk handy on the medicine shelf, for not only does it quickly end pain and distress, but it positively prevents festering and blood-poisoning and heals in the shortest time possible. Mothers can save themselves much anxiety and often much needless expense by immediately applying

Zam-Buk to cuts, scratches, bruises, knocks, burns and scalds, and by teaching the children that the prompt use of Zam-Buk will prevent little hurts from growing into big ones. Zam-Buk is equally good for sores, rashes, eczema, ulcers, boils, pimples, ringworm and salt rheum.

Because of its absolutely herbal composition Zam-Buk cannot become rancid, but will keep indefinitely and still retain its purity and strength. Buy a box to-day, use what you require, put the remainder away, and when next you need it, it will be just as effective as when first bought. That is why Zam-Buk is always the choice of the thrifty house-keeper. All dealers 50c. box.
