

CONSTANT PAIN AFTER EATING

The Tortures of Dyspepsia
Corrected by "Fruit-a-lives"

ST. MARTIN'S, N.B.
"For two years, I suffered tortures from Severe Dyspepsia. I had constant pains after eating; pains down the sides and back; and horrible bitter stuff often came up in my mouth.
I tried doctors, but they did not help me. But as soon as I started taking 'Fruit-a-lives', I began to improve and this medicine, made of fruit juices, relieved me when everything else failed."

MUST PAY IF WOULD VOTE

Proposal to Rebate Road Tax to
Returned Men Would Deprive
Them of the Franchise.

At the meeting of the City Council last night the Finance Committee recommended that the road tax be not demanded of returned soldiers and that those who have paid the tax have it refunded on proof of payment being produced. It was pointed out, however, in the recommendation that those not paying the two dollars would be unable to vote.
The clerk explained that when a person came to him to register, the law required that he take an affidavit that he had paid his tax.
Alderman McRae said that the action had been taken because some returned soldiers had objected to paying the two dollars. The provincial government had made them immune from the poll tax of five dollars and it was thought the least the city could do was to allow the two dollars.
Alderman McMeekin moved, seconded by Alderman Barrie, that the matter be laid over for a week in order to give the war veterans an opportunity of discussing it. He did not like the idea of the soldiers being deprived of their votes.

FREEMAN LETTERS BEFORE CITY COUNCIL

Captain of Narbethong Gets After
Marine Department Again.

At the City Council meeting last night the clerk produced three printed letters received from Hoomes K. Freeman of the launch Narbethong. Some little time was spent in discussing whether they should be read or simply filed. Some of the aldermen had read them, others had not. Finally the clerk was instructed to proceed with the reading.
After the first had been heard it was decided to lay them on the table for a week in order that aldermen wishing to do so might read them, it being pointed out that they were not addressed to the mayor and council, but were copies of letters sent to others.
The letters which were not read were an attack on the steamboat inspectors and the Department of Marine for cancelling the license of the launch Narbethong and granting licenses to the Provincial No. 1 and the Nora, neither of which, it was alleged, were equipped according to legal requirements.

TOO MANY AUTOS WRECKED IN CITY

Trades and Labor Council Draws
Attention of City Council to
Matter and Asks for
Danger Signs.

At the meeting of the City Council last night a letter was received by George Waddell, secretary of the Trades and Labor Council, drawing attention to the large number of automobile wrecks of late and suggesting that there were too many for the public safety. In some places it was the fault of the road and it was the opinion of the Labor Council that danger signs should be erected at the worst points.
The matter was referred to the Board of Works.
