### Civic Centre Carnival For This Year Revamped

Fuller Line of Daytime Entertainment Planned—To Open June 29

Civic Centre Carnival week this year will be June 29 to July 4 and the scope of the affair will be extended to something in the nature of an "Exposition of the North" with some of the carnival features of the past, while being retained, relegated more to the background. It was so decided by the Civic Centre board of directors who were in session last night.

In the revamping of the whole show, there will be co-operation tional baseball series between

### Ice Arena Project Is Being Shelved

Restrictions on material supplies and lack of financial response have caused the ice arena committee to recommend to the board of directors of the Civic Centre that the project be deferred. The committee, for which Dr. L. M. Greene reported to the Civic Centre board last night, felt that it was not timely to build at present.
