

**HALL OF FAME**—Three old-time hockey players were acclaimed and handed scrolls awarding them places in hockey's Hall of Fame in a ceremony at Montreal January 18. The three are Mike Grant, Newsy Lalonde and Joe Malone, who received their scrolls from J. R. Garvin, president of the International Hockey Hall of Fame. Shown, left to right, are W. Northey, an official of the Canadian Arena Company; Mike Grant; Joe Malone; Capt. Jim Sutherland, founder of the Kingston, Ont. Hall of Fame; and Newsy Lalonde. (CP PHOTO)

**MONTREAL SPARK PLUG**—Bert Olmstead, Montreal Canadiens' new left winger, is largely responsible for recent success of Maurice (Rocket) Richard and Canadiens in general. After Olmstead came to Montreal from the minors in a deal with Detroit Red Wings, Richard's goal production climbed. In 11 games the Rocket scored 15 goals, compared with only 13 in the previous 31 games. Olmstead got assists on seven of the 15, fed passes for two other scores and scored three himself. Olmstead is 24, stands six feet, two inches and weighs about 175 pounds. From Sceptre, Sask., he was one of the league's outstanding rookies last season when with Chicago Black Hawks. (CP PHOTO)

**MISUNDERSTANDING**—Toronto Maple Leafs thought they had scored in the second period of their N.H.L. clash Thursday night against the Montreal Canadiens in Montreal. When the goal was disallowed, one of the linesmen had to try to separate the indignant teams. Referee Red Storey stands back quietly at right to see what happens. Leafs won the game, 5-2. (CP PHOTO)

## Port Simpson Hoop Winners

**Defeated Metlakatla by One Point on 78-77 Score**

Port Simpson Athletic Club basketballers aided Metlakatla last week-end and won the game after a five minute overtime period by a slender one-point margin, 78-77.

Metlakatla started the game by making one quick basket, only to find the visitors taking over by scoring 7 points before the home team scored another basket. From then on, it was a ding-dong scoring. At the end of the first breathing, home team was leading with the score, Metlakatla 28, visitors 21.

The second period was full of action and it taxed the abilities of the two referees to keep the tussle well in hand. Home team increased their lead to 10 points and threatened to take the game. At the end of the second period the score was Metlakatla 48, visitors 33.

The start of the second half found both teams on their toes as evidenced by the low score. Metlakatla managed to add only 10 more points to the visitor's 44. The score at the end of the third period was Metlakatla 58, visitors 52.

The exciting final period was marked by a terrific pace. When the din quieted down after this hectic period it was announced that it was a tie game, 74-all.

A five minute overtime was played and, in the dying moments of the game, Metlakatla was lagging behind by one point when they lost possession of the ball. Then the visitors played a stalling game to protect their one point lead.

C. Cooper was the bad boy of the evening with 5 personals. Thirteen personals went to Metlakatla and 14 to Port Simpson.

Bill Leask was high scorer for the losers with 43. For the winners, Larry Ryan had 20.

Individual scores:  
Metlakatla — C. Nelson, B. Leask 43, C. Leask 11, T. Ryan 5, H. Leighton, J. Wilson 4, B. Nelson 2, E. Leighton, F. Auckland 12. Total 77.

Port Simpson — W. Ryan, C. Dudward 18, R. Wesley, V. Dennis, A. Brooks 10, L. Ryan 20, Les Ryan 19, C. Cooper 9, plus 2 unrecorded. Total 78.

G. Ryan, Metlakatla and W. White, Port Simpson, were referees. Seprer was Miss S. Ryan, Metlakatla. Timer — J. S. Ryan, Metlakatla.

## 5-Year Licence Is Protested

A motion of protest against the five-year driver's licence was passed at the regular meeting of the city council Monday night.

In offering the motion, Ald. T. B. Black said the payment of \$5 for driver's licences would be an imposition on many people, particularly families where there were a number of drivers. It would also be a hardship on those companies who paid licence fees for their drivers. Most drivers, he said, did not stay with a company for that period of time and it meant another \$5 would have to be paid out each time a new driver was hired. He felt it was not good business on the part of the government and that it was exceeding the authority of any licensing body.

In seconding the motion, Ald. H. S. Whalen said he agreed with the statements made by Ald. Black.

Ald. G. D. Frizzell said the \$5 for a driver's licence was the least of what the motorist would pay in the form of taxes during the year. He said the prepayment of the fee would save the government \$80,000 a year in collection fees. He added that the tax on a new automobile was one third of the cost of the car or truck. There had been no protests about that. He said the law had been passed by order-in-council and the council was too late to prevent the law. The best it could do was register a protest against a law that was already in force.

Ald. Black said the order-in-council had to come before the legislature and that he wanted the city's protest registered immediately.

The motion passed with Ald. Frizzell and Ald. Darrow Gomez not voting.

## CIVIC CENTRE

Art Club members are being reminded to bring note books as well as drawing materials to this Wednesday night's meeting in the Common Lounge. This will enable everyone to keep for reference information regarding drawing from Mr. Delaney's illustrated talk. J. Delaney, an electrical engineer at Port Edward, has studied art intensively in England, almost deciding on it as a profession. He specialized in portraiture but will not deal with that topic at this time, choosing instead something of a more elementary nature.
