and labor. There just aren't any season was loaded by Bacon for extra skilled tradesmen to be the Chicago market. had in Prince Rupert, they say, and in nearly all cases some business has to be turned down or customers put on a long waiting list.

Tradesmen in greatest dewelders, electricians and machinists. Although all the shops union wages, employers feel tradesmen are "getting a better deal" elsewhere, with board and room thrown in and nouses or rooms for rent and that is a big reason it is hard to get help.

One employer felt that there are not enough young people nterested in learning trades; that there is actually a shortage of tradesmen in the whole province and that this supply will become much less in view of Alcan activity in the north.
