THINK RIGHT AND YOU ARE RIGHT

"Think right and you are right," or in other words, "as a man thinketh so he is." Think prosperity and you become prosperous. Apply that to the local situation and we find that Prince Rupert will be much more prosperous if citizens unite in looking on the bright side of things. In other words they get the prosperity habit.

Take as an example the situation as it arose last spring. Business was quiet and many people saw blue ruin staring them in the face. They talked in mournful terms of the outlook and it was a wonder we ever recovered. Then came the fish and the improvement and finally the busiest week or two that Prince Rupert has ever had. There was no need for the pessimism of the previous months. All was working out well although we could not just see it at the time.

So it will be in the future. Prince Rupert has a destiny that will carry her on in spite of the blue ruin artists but she will make much greater progress if we all smile when there is a dull week and look for the silver lining showing just over the horizon. On the whole we have had a prosperous season and everything points to much better times ahead. Let us continue to thing prosperity so that greater prosperity may come to us.

CRITICISM OF PREMIER BENNETT

Premier Bennett is being criticized for his attitude in bringing before the Imperial Conference a proposal that the nations of the British Commonwealth shall impose a ten per cent tariff against the rest of the world.

It may be suggested that in doing so he is merely suggesting to Great Britain that the people shall tax themselves for the purpose of entering the fiscal ring and that if Britain were to propose such a line of action to this country under reversed conditions, the suggestion would be resented here. That is the only possible criticism we see that can be made and we doubt if it can be justified. If Canada wishes high protection, and she evidently does judging from the vote given at the last election, and if she wishes to trade with the rest of the Empire, the logical thing was to have a protective duty imposed by all. We know of no nation of the Empire better fitted to make such a proposal than Canada for this country has for years given a preference to Britain. Under these conditions we see no justification for criticizing Mr. Bennett for making the suggestion. In fact, we rather like the idea.

Many a man thinks he knows it all until he gets married.

FOR ANY CHILD

baby has a fretful spell, is feverish and cross and can't sleep, let Castoria soothe and quiet him. Sometimes it's a touch of colic. Sometimes it is constipation. Just keep Castoria handy and give freely for any of the above conditions; relief will follow promptly.

CHILDREN are happy and carefree by nature, so when they cry for no apparent reason any careful mother worries. No one can always guess just what is wrong but the remedy can always be the same. Good old Castoria! There's comfort in every drop of this pure vegetable preparation and not the slightest harm in its frequent use. As often as

All through babyhood, Castoria is a mother's standby, and wise mothers do not change to stronger medicines as the child grows older. Just increase the dose of Castoria and keep the youngster's stomach sweet and the bowels in good order. To be sure of getting genuine Fletcher's Castoria you should look for this signature: *Wm. A. Fletcher*

After visit to her home town, Ottawa, former Margot Fleming and her husband, Viscount Hardinge, former A. D. C. to Lord Willington, are seen here about to sail for England.

FINAL DAY FOR CIRCUS

Big Rotary Club Event Closed Last Night With \$800 More Added to Takings

The second night of the big Rotary Club Circus and dance, while not attended quite as well as the first, proved a great success and added something like \$800 more to the gross earnings, bringing the grand total up to beyond \$3,000. As the expenses will be light, the net amount which will go to the gymnasium fund will be quite large.

The winning numbers in the big drawing are posted today in the old Louvre store and will remain there over Sunday, the prizes being obtained from Munro Brothers' store.

In the hall last night all the events were well patronized and dancing was kept up until nearly 1 o'clock. Balagno's orchestra provided the music and everyone seemed to enjoy the fun.

It has been found impossible to secure a list of all the winners of drawings but it may be mentioned that the operation for appendicitis went to John Hoskins. William Sibbald won a large cake. A native from Greenville, Jonah Gray, was among the prize winners. George Munro won a permanent wave while Mrs. Bert Glassy was the winner of a pair of men's silk pyjamas.

Following were winners in some of the raffles:

- Percolator set, Mrs. Denny Allen.
- Cocktail Shaker, Mrs. J. W. Nicholls.
- Smoker set, Nelson.
- Five dollars in gold, Saul Kadonazan.
- Manicure set, Dr. Hankinson.
- Bedsread, Mrs. Gibson.
- Fruit cake, Mrs. Gulick.
- Pyjama suit, F. W. Wesch.
- Five dollar gold piece, Mrs. James Lee.
- Fruit cake, C. L. Monro.
- Round trip to Massett, J. B. Melish.
- Ton of bait, Dr. Tait.

Meeting of Cradle Roll

Wee Pupils of St. Paul's Lutheran Church Entertained

The Cradle Roll of St. Paul's Lutheran Church met in the church parlor yesterday afternoon. Rooms were decorated for the children. There was a short period of instruction in picture study. Lunch was served on a small table in a manner quite amusing to the children. The Lesson was taught to enjoy proper food.

Light refreshments were served to mothers. There was a fair attendance.

St. Paul's Lutheran Church has the largest Cradle Roll enrollment in the Pacific Synod.

Ensign R. Boys, financial officer of the Salvation Army for Northern British Columbia and Alaska with headquarters at Wrangell, arrived in the city on the Prince Rupert this morning from Ocean Falls, where he has been on Army business, and will proceed from here to Anyox and Stewart.

Montreal Importers Going Out of Business

Men who are anxious to save 30% to 50% on such well known makes as Master Mechanic mackinaws, overalls, pure wool work shirts, English tweed odd pants, Penman's and Atlantic underwear, should not pass up this wonderful opportunity. Without a doubt it is the greatest money-saving event Prince Rupert has seen for many a day. You can now buy a \$9.50 extra heavy Master Mechanic mackinaw at only \$5.95 and we are now selling men's overalls, regularly \$1.95 quality, at only 95c. Work shoes that sell regularly at \$5.50 are on sale at \$3.25.

Really men, it is the sale of all sales for no matter what you want we have it and at a price that absolutely defies competition, so take advantage of this glorious opportunity to save!

Just arrived 15 lines of women's new snappy fall shoes. My, they are splendid numbers, bought to sell at \$5.95, \$4.50 and \$7.00. But they too, must be sold, so out they go in one big lot at \$3.95 a pair. What a bargain! You'll never forgive yourself if you miss this big shoe event. Our loss is your gain! Come! Buy! Save!—Adv't.

Mrs. Charles Oechsl, who has spent a week in the city, sailed last night for Vancouver.

Do You Play Bridge

??

THE chap who overbids his hand always loses in the long run. No person can continually bid what he hasn't got and make it.

Business in one way is something like a game of bridge with merchants and manufacturers playing for your patronage. You want furniture and breakfast foods, books and clothes, radios, cigarettes and toys, groceries, fruits, vegetables, etc.—they want to sell you theirs. They bid with advertising.

The merchant who advertises an unworthy product can't win. He is simply inducing more people to find out in a shorter time how poor it is. He is overbidding his hand, and is bound to get set. Losing is too costly . . . depend upon it, products that are advertised must be good!

The advertisements in this newspaper are guides to the finest merchandise of every sort, merchandise carefully and faithfully made, of certain, honest value. You can trust the manufacturers who write them.

It pays to read the advertisements. They are bids backed by products that can compete in the open . . . and win.
