PLANS COMPLETE FOR ANNUAL FAIR

ACTION ADVOCATED TO ASSIST CANADIAN SHIPBUILDING

All Signs Point To Successful Exhibition Rupert Next Tuesday

All Booths in Main Building Are Taken and Entries Coming In Well—Mayor Orme Consents to Officiate At Opening Ceremonies

All the booths in the main exhibition building have been taken, entries are coming in very well, especially from Terrace, and everything points to a splendid exhibit and a wonderful fair this year.

Mayor C. H. Orme has consented to formally open the fair Tuesday evening.

C. C. PERRY WAS HERE

Assistant Commissioner of Indian Affairs Paid Brief Visit to City After Trip Up Stikine

After a three weeks' inspection tour of the Stikine River as far as Telegraph Creek and Tahltan Mission, Charles C. Perry, assistant commissioner of Indian Affairs for British Columbia with headquarters in Victoria, was a passenger aboard the Princess Charlotte yesterday afternoon returning south.

Mr. Perry, who is an ex-alderman of Prince Rupert, spent two days at Wrangell while in the north and addressed a dinner of the Chamber of Commerce at that town, being the guest of honor for the occasion.

Mr. Perry's duties as assistant commissioner of Indian Affairs necessitate his travelling a great deal and already this year he has toured the southern part of the province pretty thoroughly. He is looking very fit and was given a hearty welcome by old friends who met him during his brief stay while the Princess Charlotte was in port yesterday afternoon.

Wright Sends a Message Regard To Burke Rescue

Dr. Mandy, district mining engineer, received a wire last night from W. W. Wright, gold commissioner at Atlin, in which he told of the finding of Captain Burke in a small lake 30 minutes from Wolfe Lake, Y.T. Messages and cigarettes were dropped and plans made to return when light to land and bring the passengers out one at a time.

SPECIAL SESSION WILL OPEN SEPTEMBER 8

OTTAWA, Aug. 28.—Parliament will open on September 8, it was announced yesterday by Sir George Perley, acting Prime Minister. It will be a special session, calling primarily for the purpose of formulating plans for unemployment relief.

MODEL POLICE COLLEGE PLAN

Science Laboratories, Motoring and Wireless to Be Included

LONDON, Aug. 28.—Officials of the Metropolitan Police are planning a police training college which will be a world model, costing perhaps \$2,000,000.

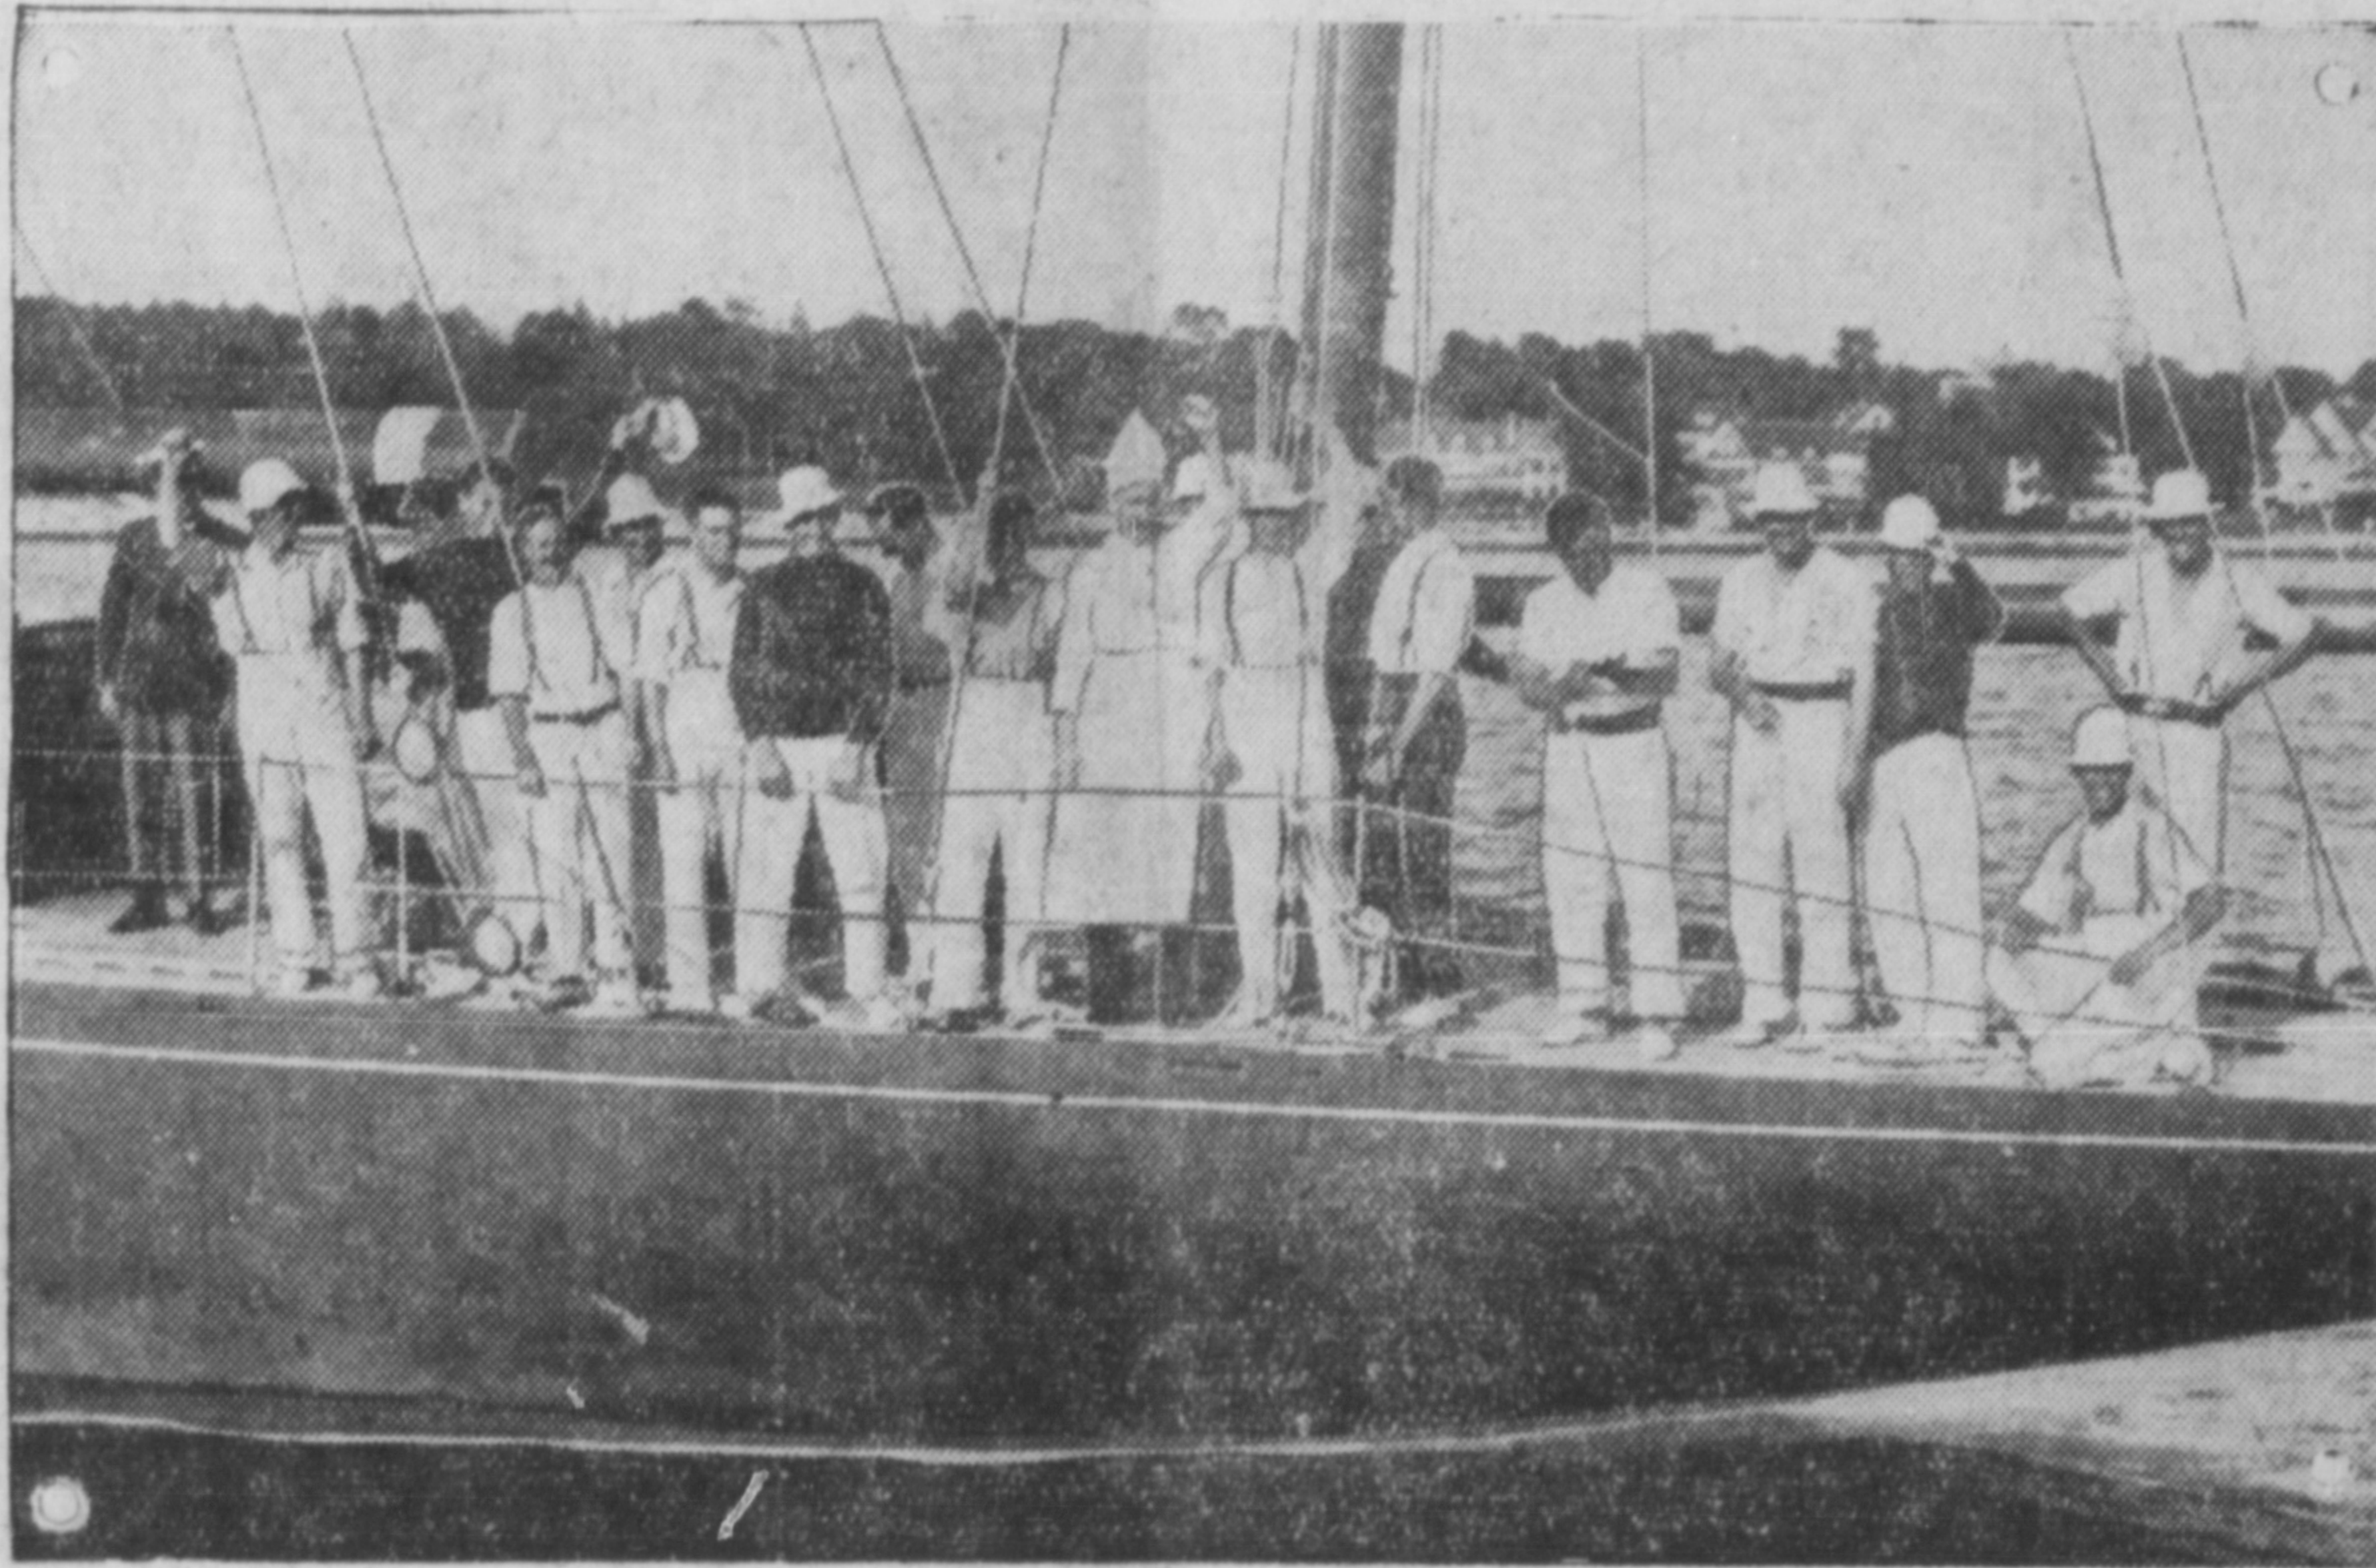

The college is to include science laboratories, motoring and wireless schools, and possibly an aerodrome for aeronautical instruction.

The London police are famous the world over for their efficiency and intelligence.

LACROSSE PRACTICE

Another practice of local lacrosse players was held last night in anticipation of the series with native opponents next week. Lacrosse games promise to be one of the attractive features of the Fair Week sports program.

ENTERPRISE TO RACE SHAMROCK NEWPORT, Rhode Island, Aug. 28.—The yacht Enterprise, skippered by Harold S. Vanderbilt, has been chosen to defend the America's Cup against Sir Thomas Lipton's challenger, Shamrock V.

Native Honors Are Accorded Dawson of Penn

WINNIPEG, Aug. 28.—Lord Dawson of Penn, the King's physician yesterday was made chief "Big Medicine Man to the Big Chief" by the Cree Indians in a colorful ceremony.

DOROTHEA STRANDED

Well Known Motor Freighter Is Ashore at Alert Bay and Helia Is Salvaging Her

VANCOUVER, Aug. 28.—The Pacific Salvage Co.'s power tug Helia sailed Tuesday night for Alert Bay where the American motor freighter Dorothea is ashore. The Dorothea is a 90-foot craft owned in Seattle.

The Dorothea is a well known vessel in Prince Rupert waters as she has made many calls here to load clear spruce from the Big Bay Lumber Co. for Seattle. She runs between Seattle and Alaska in freight service.

New Minister Is In Ottawa

Hanford Macnider Arrives From United States to Take Over Ambassadorial Duties

OTTAWA, Aug. 28.—Hanford Macnider, the new United States minister to Canada, arrived by airplane yesterday from Washington to take up his duties.

CAP. BURKE IS FOUND IN FAR NORTH

Missing Flyer Had Made Forced Landing on Small Lake and Was Unhurt

Capt. E. J. A. Burke, missing for over a week while on a flight from Atlin to Liard River in an Airland Manufacturing Co.'s seaplane, was located safely on a small lake, 75 miles east of Wolf Lake, according to word received here early this morning by the Government Telegraphs. Burke had made a forced landing on the lake and was unable to get up again. Neither he nor his mechanic suffered injury. They were discovered by Pilot W. A. Joerss who had come north from Vancouver with another of the company's planes to engage in the search. An effort will be made to bring Capt. Burke out to Atlin today.

VANCOUVER WHEAT

VANCOUVER, Aug. 28.—Wheat was quoted at 84c on the local exchange today.

MRS. JOLLIFE OF QUEEN CHARLOTTE SINGS OVER RADIO

SKIDEGATE, Aug. 28.—Many friends here of Mrs. Gordon Jolliffe were delighted last week to hear her sing over KOMO radio station from Seattle. She was announced by Mayor Anseomb of Victoria who said that she would sing a few Scottish airs and that she was from Victoria. Residents of the islands feel that the mayor of Victoria was stealing their honors when he said that Mrs. Jolliffe was from Victoria. As a matter of fact, her home is in Queen Charlotte City and the people there are very fond of her and her singing.

CANNED SALMON PACK IS STILL GETTING BIGGER

VANCOUVER, Aug. 28.—With a total pack of 1,445,000 cases, the canned salmon output of British Columbia for this season to date has already eclipsed the aggregate for the whole of last year.

New Pistol For Prussian Police

German Constabulary Will Discharge Distressing Gas Bullets

BERLIN, Aug. 27.—The Prussian police are henceforth to be armed with a novel kind of pistol with which successful experiments have recently been made. The pistol, it is said, discharges a gas bullet which spreads a cloud of gas and irritates the mucous membranes to such an extent that the victim becomes helpless and in a short time unconscious, but otherwise suffers no injury.

Beaverbrook Is Recovering Now

Is Getting Better After Attack of Food Poisoning Aboard His Yacht

DOVER, England, Aug. 28.—Lord Beaverbrook, who was reported yesterday to have suffered from food poisoning on his yacht, is now reported to be recovering from the indisposition.

OTTAWA, Aug. 28.—Unemployment may be met by shorter working hours and a scheme of unemployment insurance, Tom Moore, president of the Trades & Labor Congress, said today in a Labor Day message.

Clarence Wallace In Favor of Penalizing Foreign Craft Here

Fifty Per Cent Duty on Foreign Built and Thirty Per Cent On British Built Ships Proposed—Also Amendments to Coastwise Laws Regarding Carrying

VANCOUVER, Aug. 28.—Urging vigorous action to assist Canadian shipbuilding, a letter prepared by Clarence Wallace, president of the Burrard Dry Dock Co. Ltd., North Vancouver, has been forwarded to members of the Dominion Government and to federal members-elect. Mr. Wallace proposes a duty of fifty per cent on foreign built and registered ships seeking registry in Canada and a duty of fifty per cent on repairs done and equipment purchased in foreign ports to be payable at the first Canadian port of call; amendment of the coastwise laws so that no goods or passengers may be carried by water from one port to another in Canada except in British ships built and registered in Canada, and a duty of thirty per cent on all British registered ships seeking registry in Canada to engage in foreign trade.

TARIFF TO BE CHANGED

One of Three Courses Expected to Be Taken by Parliament at Session

OTTAWA, Aug. 28.—Tariff action is probable at the September session of Parliament. One of three courses appears likely although no official intimation has been made as yet. The probable courses are: A measure in the nature of a flat tariff increase, provision for advance in tariff on certain specified imports, or a bill increasing the duty generally except on certain stipulated commodities.

Granby Profits Show Decrease

Smelting Company, However, Still Has Good Returns

Granby Consolidated Mining, Smelting and Power Co. Ltd., for the quarter ended June 30, 1930, reports profit of \$418,089 after expenses and ordinary taxes, but before depreciation, depletion and federal taxes, compared with a profit of \$688,385 in preceding quarter and \$1,164,813 in June quarter of 1929. Profit for the first half of 1930 amounted to \$1,106,485 before depreciation depletion and federal taxes, against \$2,105,177 in the first half of the previous year.

European Travel Less This Year

Eighty-Two Go Over This Year For Every Hundred Last

LONDON, Aug. 27.—For every one hundred Americans who travelled first or second class to Europe last summer, there are only 82 this year. The decrease is due to business depression, but this has not affected 3rd class travel, which has risen. Steamship sailings from Europe to the United States are down 20% this season, the chief reason being financial losses suffered by Americans living abroad.

STATEMENT FROM PITT

Comments on Erroneous Reports Appearing in Vancouver Press On Premier Operations

STEWART, Aug. 28.—The Stewart News will say tomorrow: "Asked this week as to the authenticity of reports appearing in the Vancouver press concerning the discovery of hundred dollar gold ore on and below Premier number six level, Dale L. Pitt, manager of the Premier Gold Mining Co., denied most emphatically the truth of any such statement saying that 'development on number six level has not mined any ore body with values anything like the report.'"

Asked concerning the statement in the same report that two hundred men will be at work on Prosperity and Porter Idaho by October 1, Mr. Pitt said: "The whole article is absolutely ridiculous and is not founded on fact at all." Mr. Pitt said that operations are proceeding normally at Premier, Prosperity and Porter Idaho without any appreciable increase or decrease in the number of men employed.
