PREPARATION FOR ATHLETIC ASSOCIATION

Committee Meeting Last night in Board of Trade Rooms With View to Organizing

Last night there was a meeting of the general committee having in hand the preliminaries for the organization of an athletic association in this city. The gathering took place in the Board of Trade rooms with M. P. McCaffery in the chair.

The committee reported some progress since the last meeting and it was decided to appoint several committees to secure further data and to meet again next Tuesday evening in the Board of Trade rooms.

H. S. Wallace, W. J. Nicholl and H. F. Pullen were appointed a committee to secure an estimate of the cost of making dressing rooms and shower baths in the basement or some other suitable part of the Agricultural Building.

The subscription committee, headed by W. E. Willisroft, will provide an estimate of the cost of equipment. They consist of, in addition to the chairman, Messrs. Johnston, Westaway, Brady, Self, Clementson, Fisher, Darton and Carmichael.

A committee on organization which will recommend officers for the permanent organization is composed of J. D. McAuley, H. P. Wearmouth and Mr. Clementson.

It is expected that each committee will get busy at once and that by next Tuesday it may be possible to get right to work so that no time may be lost in making use of the building.

SOLDIERS NEED NOT PAY ROAD TAX BUT THEY WILL NOT VOTE

The report of the Finance Committee in regard to the payment of road taxes by returned soldiers was adopted. The report provided that returned soldiers would not be asked to pay their two dollars for road tax, but that they would not be able to vote unless they had paid this tax or had paid other municipal taxes.

City Clerk Woods explained in the matter of voting that the soldiers would have to prove that they had paid municipal taxes before their names went on the voters' list. The tax would be refunded to the wives or some representative of the claimant without them having to appear personally at the city hall.

GOOD PLAYS AT BOTH THE LOCAL THEATRES

Evelyn Nesbit and her son, Russell Thaw, seen at Westholme; Sex play at Empress.

"The Talk of the Town" is a sex play of great interest which shows the folly of bringing up a girl in ignorance. It is to be shown tonight at the Empress Theatre with Dorothy Phillips as star.

At the Westholme Evelyn Nesbit and her son, Russell Thaw, are featured in "The Woman Who Gave." It is a story of the New York Bohemia, of artists and models and of cruelty and crime.

Evelyn Nesbit is an artist and her connection with the famous Thaw case has made her well known throughout the continent.

A letter was read from the Dominion Fire Commissioner advocating fire prevention and drawing special attention to Fire Prevention Day. The letter was filed.

MAGISTRATE ASKS SALARY INCREASE

Reference Made to Excellent Work of Col. McMorde—Finance Committee to Report.

A letter was read from Police Magistrate McMorde applying for an increase of salary from \$1,200 yearly to at least \$2,400. Most of the aldermen expressed themselves as in favor of granting such a raise if it was in the power of the council. Magistrate McMorde had made a good record and given every satisfaction and Ald. Perry drew attention to the necessity of having an honest, honorable and useful man in the position, but that a salary and not a pittance had to be paid to hold such a man.

Alderman Casey demurred on the ground that he had heard of a case of a boy who had been given thirty days in jail for begging, but it was suggested that there probably were other circumstances connected with the case on which the alderman was not informed.

The application was referred to the Finance Committee for report.

We sell Frisbie Engines Complete and ready to install.

Frisbie Motors give long, uninterrupted service with practically no repairs except occasional grinding of valves. Valves in cages; accessible in a few seconds. An "all muscle" construction throughout, every part designed for hard work. Overhead valves, opening directly into combustion chambers. No pockets or crevices to gather carbon, and waste fuel. This type of construction effects a gain of

15 to 20 per cent. more power

than is possible with L or T-Head designs. Intake and exhaust manifolds are cast integral with the cylinder; miles ahead of the old, leaky, bolted-on manifolds. Large valves insure full charge on the intake and a complete, clean exhaust.

1 to 6 CYLINDERS—5 to 75 HORSEPOWER

Frisbie Motors are made in following sizes: 1-cyl., 5 and 7 H. P.; 2-cyl., 10 and 16 H. P.; 3 cyl., 18 and 25 H. P.; 4-cyl., 30 and 40 H. P.; 6-cyl., 60 and 75 H. P.—Bore and Stroke, 4 3/4" x 5" and 6" x 6". For work or play, the Frisbie will measure up to your hardest tests.
