## A POWERFUL AID to PAYROLL BULLDING

THE Vancouver Stock Exchange is If no such market were available, capital into mining, oil and industrial funds in securities which would remain enterprises employing Western Canada "frozen." The activity of this market labor. When investors buy listed stocks, represents the public's desire to buy their purchases represent machinery, and sell securities and keeps every shafts, roads and camps, smelters, investor posted as to the cash value of factories, payrolls. The result of such his holdings and the success of the activity is the development of natural industries those holdings represent. resources, the creation of new wealth, thriving wholesale houses, retail stores, farms, prosperous workmen.

The mining industry in this province alone pays annually in wages . 30,000,000 and employs 18,000 workmen. What part does the Vancouver Stock

Exchange play in this activity, this enlarging of our payrolls? The Exchange provides a ready market for securities of value. This encourages the investor to participate in those

meritorious enterprises that have con-

tributed to the development of British

Columbia, her industries and payrolls.

The Stock Exchange requires that every stock listed on the Exchange be scrutinized as to capitalization, directors, soundness of the enterprise.

Through members of the Exchange, British Columbia's investment opportunities are advertised, world-wide interest of capital aroused.

The Vancouver Stock Exchange thus plays its part in creating confidence and in diverting capital to British Columbia enterprises. The Exchange is a powerful force in increasing your prosperity, in building payrolls.
