Seizure of Funds and Securities Toronto Firms Unwarranted

SHOULD BE RECTIFIED

REGINA, Jan. 31.—The Regina Daily Star carried today the following front page editorial:

"Immediate Action Needed" "The amazing action of the Ontario government in seizing the securities, books, cash and bank accounts in the head offices at Toronto of a number of companies doing business all over Canada is without parallel in the financial history of the Dominion.

seizure of funds and securities be- of the Ontario government. longing to the people of eight other all the way from Halifax to Vic- ernment of Ontario." toria and Prince Rupert, will suffer unnecessary loss. Governments, before this, in the proper exercise Bauminton Club tions into the affairs of banks and investment companies. In the proper exercise of their duty they have instituted prosecutions, but in its surrender to panic or possibly to gain an advantage for Ontario investors alone, the Ontario governcompanies to a standstill, injured the club to leave there. their credit, failed them with the risk of a forced insolvency, before even a tittle of evidence had been anadian Legion offered in court.
