Special Session of Parliament Likely to Meet September 11 if Cabinet Members Not Opposed

Stevens and McRae Still Mentioned As Likely to Be Mem- S. S. PRINCE bers of Administration and Seats Offered Them In South

OTTAWA, Aug. 4:-Canada faces an eventful week in her political history. Barring any unforeseen delay Premier-Elect Bennett wll take office at Prime Minister the latter part of the week and will announce the personnel of the new Conservative cabinet. By-election writs will then | Sister Ship of Prince Henry to Go be issued for re-election of the chosen ministers and the way will thus be cleared for the special session of Parliament next month, opening about September 11.

Little probability exists that the new ministers will be Prince David, the second of the pa-

morning for an early start on their VANCOUVER, Aug. 4:today at 92%c.

DAVIDISAT VANCOUVER

on Triangle Run August Twelfth at 2 P.M.

VANCOUVER, Aug. 4: - S. S. gopposed in the by-elections, it is latial new steamships built recently stated. Thomas Bell and Dr. Murray at Birkenhead, England for the McLaren, Conservative members Canadian National Steamships for for the dual riding of St. John-Al- service on the Pacific Coast, arrived bert are in the capital. Both names at the Port of Vancouver at four have been mentioned with that of o'clock on Sunday afternoon, exact-New Brunswick representation in ship passed the bar light at Liverpool. Capt. Harry Neddon, veteran Colonel Thomas Cantley, re-elec- skipper along Pacific Coast waters,

There is all probability that the The Prince David which is a sisdepartment of public works and ter ship to ss. Prince Henry, now possibly the post office department engaged in the Alaskan service was constructed for the tri-city service which will once more again unite It is conceded that Hugh Guthrie the cities of Vancouver, Victoria resumed after a lapse of a years when the ships then in service were taken to meet the demand from Vancouver to Prince Rupert and Alaska. The new tri-city service will be resumed on the afternoon of August 12 when the Prince David will sail daily for Victoria and Seattle at 2 o'clock.

The Prince David has the same magnificent appointments as the Prince Henry, the only difference being a change of color scheme in the public rooms. There is accomodation for 334 first class passengers 70 third class and 150 day passengers and in addition there is plenty of room for a large number of

Capt. Nedden said the trip from Birkenhead was practically without incident. "The ship behaved beautifully and we did not have the slightest trouble from any quarter. I was tremendously impressed with the trip through the Panama Canal as it was my first visit. Twenty years ago I was on ss. Prince George as chief officer when she was brought over but at that time we came via the Straits of Magellan. The David should prove very popular with the travelling public as her accommodation puts her in the same class as an ultra modern hotel. She is a perfect sea ship and be- Fire Stopped haved splendidly," he declared.

Boys' Band Off

The Boys' Band in charge of Bandmaster Tom Wilson and W Gilchrist and consisting of 32 members will sail for Vancouver on the Prince Rupert this afternoon and will take part in a musical competition there. They expect to return to the city about the sixteenth. Prior to embarking they paraded Fire Yesterday the streets this afternoon and many complimentary remarks were made regarding their smart turn-out and best wishes go with them for success in their venture.

Pattullo Announces He is Opposed to the Giving Away of Lands

Premier-Elect Bennett Is Committed to Western Railway Outlet to Peace River So Why Talk of Giving Away Anything

VICTORIA, Aug. 4:—Commenting on a report that with the return of the railway belt and the Peace River belt to the province it was suggested that these areas might be used for the purpose of inducing one of the railways in return for the land grant to proceed with the northern railway project, T. D. Pattullo said today:

"Premier King indicated clearly that the time had come for the construction of the Peace River outlet to the coast and it was stated that should the railways not agree

in the matter the government itself would see that the necessary steps | MUCHLOSS

"Premier-Elect Bennett is also committed to the Pacific outlet to the Peace River. As no independent railway corporation would think of building a railway to the Peace River in opposition to the two national railways and in view of the fact that it is recognized as a national obligation that there shall be Pacific Coast connection with the
